

Vocal
Coaches
.org

The logo for Vocal Coaches .org features the text "Vocal Coaches" in a large, black, serif font. A musical note with a stem and a flag is positioned between the words "Vocal" and "Coaches", with its stem extending upwards and to the right. Below the word "Coaches" is the domain extension ".org" in a smaller, black, serif font.

Vocal Coach

RS Peters

Vocal Coach:

The Voice Coach's Toolkit Pamela Prather, 2023-03-31 The Voice Coach's Toolkit identifies the primary professional vocal coaching opportunities and the avenues by which a student or early career coach can navigate the vocation. For purposes of this book, the Voice Coach is defined as someone who coaches the spoken voice in three precise areas: the teaching artist, the professional film/TV/theatre coach, and the professional voice user coach. These three coaching worlds are broadly defined, and each area includes in-depth interviews and practical advice from top coaches, along with the author's personal expertise. The book can be read in sections or as a whole, making it as useful for early career coaches as it is for those looking to expand their vocal coaching career or vocal pedagogy students who need a broad survey of all three areas. **The Voice in Violence** Rocco Dal Vera, 2001 Applause Books This collection from The Voice and Speech Trainers Association focuses on the voice in stage violence, addressing such questions as: How does one scream safely? What are the best ways to orchestrate voices in complex battle scenes? How do voice coaches work collaboratively with fight directors and the rest of the creative team? What techniques are used to re-voice violent stunt scenes on film? How accurate are actor presentations of extreme emotion? What is missing from many portrayals of domestic violence? Written by leading theatre voice and speech coaches, the volume contains 63 articles, essays, interviews, and reviews covering a wide variety of professional concerns. *The Voice of Success* Joni Wilson, 2009 As women, we all want to be heard and respected for our contributions. However, a weak or grating voice can sabotage even the most articulate and brilliant ideas. To get her point across, every woman needs a pleasant yet strong voice that will get others to really hear what she has to say. *The Voice of Success* is written just for women and covers every characteristic of the female voice, with all of its assets and liabilities. Vocal coach Joni Wilson has helped women across the country communicate more effectively and become more successful in their careers by showing them how to use their voices to get what they want. Here, she shows readers how to be taken more seriously by conquering their top voice complaints. Every woman will discover seven keys to set her voice free, the eight deadly emotions and how they affect the voice, 10 ways to keep her voice young and healthy, how to create an engaging telephone voice, how to tune up her voice image to attract clients, how to create the right voice for the office and public speaking. Complete with invaluable exercises readers can do easily and quickly, *The Voice of Success* will give every woman a voice she loves and that others will love to listen to. Singing, 1926 **101 Letters from a Vocal Coach** Tony Joett, 2018-01-08 If anything working as a vocal coach over the years has helped me to better understand the human voice, whenever I'm dealing with voice issues that my students are going through and trying to solve their problems, as everybody is different, I almost always pick up yet another solution to seemingly insurmountable difficulties and challenges singing throws at you. I wanted to write a book because I felt the need to document what was happening in my voice studio on a daily basis. There was a wealth of amazing real-life content emanating from my studio that I was completely certain would be of great help to singers. *101 Letters from a Vocal Coach* is

intended to serve as a resource you can return to again and again should you run into any difficulties with your singing
Contained herein is a fountain of articles and knowledge that you can draw inspiration and guidance from all year round

The Back Stage Handbook for Performing Artists Sherry Eaker,1995 The standard reference for actors singers and dancers The Back Stage Handbook for Performing Artists has been totally updated to guide tomorrow s stage radio TV and film personalities to employment and success This thoroughly rewritten improved edition is the first to focus upon job hunting and employment opportunities in a wide range of performance fields The reader will harvest essential information and vital tips on jobs in summer stock regional theatre children s theatre and more expanding career possibilities in non broadcast media such as audiotapes and CD ROM working in soap opera radio industrial shows and student films areas of interest for singers such as cabaret and performing commercial jingles opportunities for stand up comics and other solo performers sources of income such as voice overs that can develop into lucrative careers and employment at theme parks in museums and on cruise ships These performance fields some of them explored here for the first time in any book are examined in essays originally prepared for the performance arts weekly Back Stage In each essay show biz experts share their knowledge on how to find a break and nurture a career with confidence Their advice is supplemented by resource listings of names addresses and phone numbers of agents managers union offices and producing organizations the people who hire promote and foster the careers of performers There is even advice on how talented people can avoid being taken advantage of in the rough and tumble business side of the performing arts
