A Practical Guide to Theoretical Frameworks for Social Science Research Andrea J. Bingham, Robert Mitchell, Daria S. Carter, 2024-02-13

This practical book offers a guide to finding choosing and applying theoretical frameworks to social sciences research and provides researchers with the scaffolding needed to reflect on their philosophical orientations and better situate their work in the existing landscape of empirical and theoretical knowledge Using a multifaceted approach the book provides clear definitions primary tenets historical context highlights of the challenges and contemporary discussion and perhaps more importantly concrete and successful examples of studies that have drawn on and incorporated each theoretical framework The authors define and explain the connections among such concepts as ontology epistemology paradigm theory theoretical frameworks conceptual frameworks and research methodology describe the process of finding and effectively using theoretical and conceptual frameworks in research and offer brief overviews of particular theories within the following disciplines sociology psychology education leadership public policy political science economics organizational studies and business The book also has a dedicated chapter on critical theories and for each theory provides a definition explores how the theory is useful for researchers discusses the background and foundations outlines key terms and concepts presents examples of theoretical applications and gives an overview of strengths and limitations This book offers a useful starting point for any researcher interested in better situating their work in existing conceptual and theoretical knowledge but it will be especially useful for graduate students and early career researchers who are looking for clear definitions of complex terms and concepts and for an introduction to useful theories across disciplines

Working With Crisis and Trauma From an Islāmic Perspective Zarina Hassem, Shireen Ismail, Nabeela Vad Walla, G. Hussein Rassool, 2025-08-18 Working with Crisis and Trauma from an Isl mic Perspective provides a holistic framework and treatment methods for working with trauma and crises framed within an Isl mic Psychology paradigm This book begins by conceptualising trauma and existing models of understanding treatment and then places trauma and crises within an Isl mic viewpoint The authors focus on the Qur the Sunnah and Isl ic Psychology to rationalise and explain the effects of trauma and how it presents while proposing treatment methods within this context The final chapter uses case studies to illustrate practical applications and includes coping strategies directly from authentic Isl ic sources and the sixth chapter focuses on the legacy of trauma in terms of post traumatic growth This book will be essential reading for professionals in the fields of psychology and mental health looking to understand how Isl ic Psychology practices can be presented as a treatment intervention for patients experiencing trauma

and gain insight into how to incorporate these protocols into their own practice Youth Programs in Art Museums Heather Maxson, Susan McCullough, Ai Wee Seow, 2025-11-21 Youth Programs in Art Museums examines the processes and motivation behind the creation of thoughtful offerings for youth audiences by museums around the world With over 50 contributors representing 20 countries the book considers how museums can be relevant to youth audiences through the development and implementation of programs that respond to their interests and needs and are grounded in cultural contexts Program outcomes explored include developing young artists civic engagement LGBTQIA advocacy and multiple language learners As a whole the volume demonstrates how museums are creating engaging enriching programs that enable youth to more deeply understand themselves their culture and the world around them The editors and contributors show that if museums can plan and deliver the right kind of offerings they will find that youth are curious creative and resilient They will also discover that youth have the potential to become lifelong engaged participants in their own art culture and communities in turn helping museums to be more inclusive responsive and community oriented Youth Programs in Art Museums will appeal to academics and students engaged in the study of museums art and education It will also be of interest to museum professionals as well as professionals interested in working with youth in after school settings **Psychological Support for Refugee**
