Singularity Sky:

Singularity Sky Charles Stross,2004-06-29 In a technologically suppressed future information demands to be free in the debut novel from Hugo Award winning author Charlie Stross In the twenty first century life as we know it changed Faster than light travel was perfected and the Eschaton a superhuman artificial intelligence was born Four hundred years later the far flung colonies that arose as a result of these events scattered over three thousand years of time and a thousand parsecs of space are beginning to rediscover their origins The New Republic is one such colony It has existed for centuries in self imposed isolation rejecting all but the most basic technology Now under attack by a devastating information plague the colony must reach out to Earth for help A battle fleet is dispatched streaking across the stars to the rescue But things are not what they seem secret agendas and ulterior motives abound both aboard the ship and on the ground And watching over it all is the Eschaton which has its own very definite ideas about the outcome *Singularities* Joshua Raulerson,2013 This groundbreaking volume is the first to mount a sustained and wide ranging critical treatment of Singularity the irrevocable transformation of the nature of human existence by technological advancement as a subject for theory and cultural studies

Iron Sunrise Charles Stross,2005-06-28 Stross has the ability to superimpose an intriguing take on contemporary events over an imaginative story peopled by bizarre characters The Kansas City Star A G2 star doesn't just explode not without outside interference So the survivors of the planet Moscow which was annihilated in just such an event have launched a counterattack against the most likely culprit the neighboring system of New Dresden But New Dresden wasn't responsible and as the deadly missiles approach their target Rachel Mansour agent for the interests of Old Earth is assigned to find out who was Opposing her is an unknown and unimaginable enemy At stake is not only the fate of New Dresden but also the very order of the universe And the one person who knows the identity of that enemy is a disaffected teenager who calls herself Wednesday Shadowmist But Wednesday has no idea what she knows **Singularity Sky** Charles Stross,2006-02-17
