## Sirius Crossing:

**The Sirius Crossing** John Creed,2003-02-17 Jack Valentine has been in the intelligence game too long and it is starting to show but he accepts one more mission He always does It seems like a simple task but it throws up deadly questions and he doesn't know the answers What were American Special Forces doing in Ireland twenty five years ago and why does it matter now What is the thread which leads from a deserted mountainside to the offices of the White House Valentine no longer knows which threatens him most the dark alliance of men who want to kill him or his own dangerous cynicism back cover

The Sirius Crossing John Creed,19?? ,2018-11-30 The Apocalypse of Enoch and Bhu unda The Apocalypse of Enoch and Bhu unda challenges the underlying assumptions of the classical roots of civilization by restoring the original context of creation mythology In this second volume of A Chronology of the Primeval Gods and the Western Sunrise ancient myths from multiple geographies are correlated to spikes in cosmic rays over the past 120 000 years as documented in ice core data The chronology and content of these myths tell us that the primary forces behind these cataclysms were the most ancient gods hyper nova at the Galactic Center associated with Sgr A The Dragon Sgr West The Beast and Sgr East Hirany ksha and Hiranyakas ipu with secondary supernova seen as the birth of new destructive gods Ancient myth has documented the cataclysmic destruction of the world on at least twenty occasions with four major geo polar migrations which has resulted in a shift of the earth's equator on at least one occasion Multiple myths are shown to represent a view of the sky that can only be seen from the Antarctic region Multiple versions of the myths of Orion are analyzed showing clear linkages between the Vedic myth of Trisanku the Book of Genesis Senmut's Tomb and the myths of Prajapati Daksa representing the oldest version of the Orion myth older than Trishanku and Genesis by 20 000 years The stunning conclusion explains how the Watchers of Enoch were the Vedic descendants of Ila and Ikshvaku These descendants of the seventh Manu had been observing and recording the stars as a source of cataclysm for at least 15 000 years prior to Enoch thus allowing Enoch to prophesize a new heaven That prophecy became the foundation for St John's Book of Revelations which is shown to be a description of a series of cataclysms attributed to Sgr West The book offers a new theory for explaining geo polar migration That theory suggests small shifts in the location of the earth's center of gravity underlie each migration but that there are multiple causes for the shifts *FCC Record* United States. navigates through vast stretches of space discovering the mysteries of the universe and the incredible lifecycle of stars Along the way he meets the Starlighters beings of light who communicate through the energy of stars Through adventures and challenges Sirius learns the importance of cosmic energy and the role each star plays in the grand design of the universe A fun educational journey awaits *The Surveyor* ,1918 **Merchant Sail** William Armstrong Fairburn,1955 **Lost Voyages** Bradley Sheard,1998 In a Tokyo in the not too distant future a young girl studies diligently with ambitions of soon attending space academy If things work out just right her future may very well be among the stars as well And yet every time she looks up to the stars there is a sense of melancholy in her heart A sadness surrounds Asumi as space exploration itself has profoundly impacted her life for as long as she can remember But she is not alone A young man wearing a lion s mask is always beside her He speaks of the constellations and galaxies as if he they were like home He knows what it is like to love the stars slightly bitter and yet always so warm and inviting Truth is he has gone through much of Asumi is just experiencing And now in spirit he will forever be with Asumi guiding her on her path to space **Astronomy Without a Telescope** Edward Walter Maunder,1904 **Fortnight** ,2003
