## **Sisters Of Justice:**

*Sisters of Justice* Karen Jamison, 2004-06-29 Almost everyday on the news there is a report of a child getting abducted or abused With so many offenders of these crimes there doesn't seem to be a harsh enough form of punishment that sends out a message to the next person who commits these crimes Sisters of Justice is about a group of highly skilled and educated women who are fed up with the justice system and take matters into their own hands and serve true justice They help when there is nowhere else to turn They bring justice when the court system fails They protect those who can't protect themselves Caleah is a successful business woman by day and an enforcer for the Sisters of Justice by night Her life has been good and uncomplicated That's until she breaks her own rule and gets involved in a relationship She tries her best to keep what she does with the Sisters of Justice a secret from the man in her life But that gets hard because he's one of the best homicide detectives for the city of New Orleans Things become intense when the Sisters of Justice becomes the city's most wanted and the cops are out to get them

*MISSISSIPPI "A" SISTER'S JUSTICE* JEROME GENTRY ,2024-10-30 Embark on an emotional journey through the pages of this compelling and deeply personal book as the author unravels the poignant narrative of their daughter's tumultuous life In *MISSISSIPPI A Sister's JUSTICE* the author candidly shares the heartbreaking story of Deanna Lashay one of three beloved daughters While the focus is on Deanna the pivotal role played by Mia Nicole adds a crucial layer to the unfolding drama Deanna's life takes an unexpected turn with a decision that shakes the foundation of her existence triggering buried childhood traumas In their rush for sensationalism the local news outlets misreported the incident prompting the author to set the record straight A relentless champion for their daughters the author provides an accurate account revealing the circumstances leading to that fateful day The book delves into the profound impact of childhood trauma on individuals and families shedding light on society's tendency to doubt victims and empathize with perpetrators Addressing the alarming consequences of untreated trauma the narrative explores the emotional toll on victims emphasizing the importance of support systems Research backed insights into the lasting effects of child sexual abuse underscore the critical need for intervention

**Reports of Cases at Law and in Equity Argued and Determined in the Supreme Court of the State of Arkansas** Arkansas. Supreme Court, 1888 [Race, Justice and American Intellectual Traditions](#) Stuart Rosenbaum, 2018-02-17 Some American intellectual traditions although pristine in appearance are racist at their core This book reveals the racism inherent in those Platonist and Enlightenment moral traditions that motivate much contemporary rhetoric Part One contains five chapters of substantial critique while Part Two contains four chapters of constructive suggestion explaining how indigenous American traditions of thought about morality avoid the racism of conventional Western moral thought that dominates political rhetoric This book because of its focus thesis and brevity will be useful in a number of academic contexts including political science American studies philosophy sociology and also to the larger educated public

*Home* Cailean Steed, 2023-01-19 Such a good read Val McDermid

Absorbing moving and alarmingly believable Carole Johnstone author of *Mirrorland* Home is a white hot gem of a book brilliantly researched so gripping and propulsive you ll want to consume it in one go Kirstin Innes author of *Scabby Queen* Someone has broken into Zoe s flat A man she thought she d never have to see again They call him the Hand of God He knows about her job in the cafe her life in Dublin her ex girlfriend even the knife she s hidden under the mattress She thought she d left him far behind along with the cult of the Children and their isolated compound Home but now he s found her and Zoe realises she must go back with him if she s to rescue the sister who helped her escape originally But returning to Home means going back to the enforced worship and strict gender roles Zoe has long since moved beyond Back to the abuse and indoctrination she s fought desperately to overcome Going back will make her question everything she believed about her past and risk her hard won freedom Can she break free a second time An absolute triumph I found myself holding my breath hoping for the best for her while expecting the worst Highly recommended Laura Shepperson author of forthcoming debut *THE HEROINES* *Two Sisters for Social Justice* Lela B. Costin,1983 The Abbott sisters forsook the comforts and confinements of the status quo to join the struggle for social justice From the Progressive Era through the New Deal they were an integral part of the debate that raged around the issues of suffrage workers rights child labor laws juvenile delinquency prostitution the immigrant problem tenement housing social security emergency relief programs and the peace movement Refusing to claim any of the special feminine insights often attributed to their contemporary Jane Addams the Abbotts assumed the role of social engineers and strove for a specialized competence with which to understand the entire social system
