Six Chukkers Of Love:

Six Chukkers of Love Wm. Clark Hetherington, 2005-02-04 *Six Chukkers of Love* is more than Clark Hetherington's autobiography. It is a first hand account of the history of polo in the United States post World War II. Clark knew all of the movers and shakers, great players and sundry characters that were responsible for polo's growth and development. His book is filled with wonderful stories of these individuals and their enthusiasm for the sport. These pages portray not only his love of polo and his important role in its growth but also the influential roles played by each of many other individuals. At the National Museum of Polo and Hall of Fame, part of our mission is to preserve record and archive the history and tradition of polo. Much of what Clark has written in these pages are anecdotes of personal experiences nowhere else previously documented. The anecdotes and stories convey what all of us who live the sport know to be the true flavor of its tradition. Our heartfelt gratitude goes out to the author for preserving this history. *Six Chukkers of Love* is another chapter in Clark Hetherington's dedicated service to the sport of polo. In 2004 the National Museum of Polo and Hall of Fame recognized his lifetime contributions with the Iglehart Award. Some of these contributions are briefly outlined on the plaque in his honor at the Museum as follows: He spent a lifetime dedicated to polo. An avid player since age 7, he later captained the Oklahoma University team. He started Broad Acres Polo Club in 1954 and served four years as USPA circuit governor. At his own expense he produced educational films such as *Charlie Chukker* and an umpire training presentation. Clark has been called by many "The father of professional umpiring." He tirelessly promoted a uniform standard for all umpires to the USPA and to clubs around the country. After his appointment as USPA chief umpire, he developed umpire training programs and conducted numerous clinics across the nation, furnishing horses and equipment. Hetherington, William Clark Hetherington, 2005. It is no secret that consumers are afraid of the used vehicle buying process. In recent years there have been television programs exposing the rampant deception and fraud perpetrated on an unsuspecting public. A recent article from the Associated Press announced "Car Sales Hassles Top Complaint List." This honor is well deserved. In the fast paced world we live in today, no one has the time to spend trekking to the service department to deal with a vehicle problem. It robs you of part of your day and in some cases your income. Information is power. I believe that armed with the proper information, the average consumer can tilt the odds in their favor. An educated consumer is the best defense against a shady dealer. I will provide you with the tools to make an educated choice. **Polo in the United States**

Horace A. Laffaye, 2014-01-10. Though polo is commonly associated with Britain and South America, the sport also enjoys a strong following in the United States. This comprehensive history describes the evolution of polo in the U.S. from its beginnings in a New York City riding academy in 1876 to the 2010 Open Championship held in Florida. The principal early players and the first polo clubs are covered, as is American participation in the Olympics, polo at universities and colleges, women's polo, indoor polo, and polo in the military. Additionally, chapters also examine polo in the arts and in literature.

The Polo Encyclopedia, 2d ed. Horace A. Laffaye,2015-03-24 In its greatly expanded second edition this definitive reference work on the sport of Polo includes more than 18 000 alphabetical and cross referenced entries covering players teams national and international tournaments rules of the game books on polo and their authors as well as painters and sculptors of polo subjects No other book includes as much information about the game in a single volume *Polo* ,1929
