Every Day Forever is a collection of letters written from a mother to her young daughter after her passing. Written in real time the letters chronicle Mattocks day to day journey during her first two years of grief. With grace and poise Mattocks boldly refuses to accept that grief is a season of getting over pain but instead insists grief is a season of getting used to it. As heartwarming as it is heartbreaking the letters paint a picture that anyone who has experienced deep loss can find themselves in. Every Day Forever serves as a powerful reminder for us all. That we can have hearts that are broken and still love. Have dreams that were shattered and still live. And we can be grateful for what we were given and still grieve for what we weren't.
