Strong Stuff:

The Glad River Will D. Campbell, 2005 The Glad River is a deeply affecting novel No one in Claughton County ever understood why Doops Momber refused to be baptized his people were all good Baptists And no one in Cummings Mississippi knew that Kingston Smylie s daddy was really his granddaddy and that Kingston wasn t really white And at Camp Polk no one knew anything at all about Fordache Arceneau because he spoke only Cajun They met in basic training Green kids who d always felt themselves to be outsiders they formed a community of three They called it the neighborhood After seeing action together at Guadalcanal the three friends went back to the lives they d each known but they went on meeting regularly keeping up the neighborhood Their lives were untroubled until the day Fordache found himself accused of murder on trial for his life And in a small Southern courtroom in the autumn of 1952 the neighborhood bound by love and based on understanding faced its ultimate test The Glad River is a deeply affecting novel Grounded in a particular place and time its themes are nonetheless universal A novel that probes the limits of religion and the state it is also the work of a master storyteller and civil rights activist whose works are considered a treasure of modern Southern literature Will D Campbell is a widely recognized and honored preacher writer speaker and civil rights leader He is a National Book Award finalist and winner of the Lillian Smith Prize and the Christopher Award In 2000 he was awarded the National Humanities Medal His major works are nonfiction telling among others the stories of Mercer University The Stem of Jessee a communal farm Providence and his own life Brother to a Dragonfly He is also an esteemed writer of fiction including The Glad River Cecilia s Sin and two children s books Before his death in 2013 Will lived in Mt Juliet Tennessee Praise for The Glad River In these days of books about religion and community we need a book like The Glad River about real religion and real community And it s real funny a testament to the big heart of a great man one of America s outlaw heroes Will Campbell Clyde Edgerton author of Raney and Walking Across Egypt In The Glad River Will Campbell offers us a wild ride a picaresque pilgrimage through the Deep South ar and madness to salvation His book explores themes of community race and redemption the claims of the past and the power of stories But it s a free wheeling free for all a rollicking gift of a novel If Will Campbell writes like a crazy angel maybe it s because he is one You d better join up this is one trip you don t want to miss Lee Smith author of Oral History and The Last Girls
