All the Way Down Stewart Foster,2023-07-06 A life affirming story about friendship adventure and self belief from the award winning author of The Bubble Boy Perfect for fans of Louis Sachar s Holes and Elle McNicoll s A Kind of Spark When three eleven year old problem children are thrown together at summer camp they re challenged to build a place to live together for the next week But after a trip to a disused tin mine goes awry Milo and his new friends Oscar and Effie soon find themselves split off from the group and trapped underground Can they work through their individual issues and come together as a team to find their way to freedom

Stuck in Reverse Irene Bradford,2011-12-01 This book is a very true story and Irene talks candidly about her early years She talks freely of the many hard knock backs she endured so it makes immensely fascinating reading Despite going into Oldham on occasions for a sack of coke at 12 she never ever considered herself a deprived child She writes about all the hardships and struggles her mother had bringing up a family of 10 children And describes vividly how she had to jump naked out of a 25 foot high bedroom window when she was confronted with three masked men in her bedroom losing her business due to this fall Then years later tells how having once more built up a very profitable business it closed down Explaining the risks she took getting to that stage and why when at its peak and in paid for and fully tenanted premises she lost everything again Then she tells the whole truth about the arson attack on the one million pound canal side business premises the suspect and the missing keys and why it has been left in a ruinous condition since 2005 The sly devious scheming tricks that have been played on her by the council while trying very hard but without success to grab her precious site And the latter end of the book is a series of correspondence from the council There is no doubt at all this book will certainly shock and stir up a real hornets nest but it just had to be written

Raised Up Down Yonder Angela McMillan Howell,2013-11-01 Raised Up Down Yonder attempts to shift focus away from why black youth are problematic to explore what their daily lives actually entail Howell travels to the small community of Hamilton Alabama to investigate what it is like for a young black person to grow up in the contemporary rural South What she finds is that the young people of Hamilton are neither idly passing their time in a

stereotypically languid setting nor are they being corrupted by hip hop culture and the perils of the urban North as many pundits suggest Rather they are dynamic and diverse young people making their way through the structures that define the twenty first century South Told through the poignant stories of several high school students Raised Up Down Yonder reveals a group that is often rendered invisible in society Blended families football sagas crunk music expanding social networks and a nearby segregated prom are just a few of the fascinating juxtapositions
