Trending Positive Psychology:

New Trends in Psychobiography Claude-Hélène Mayer, Zoltan Kovary, 2019-08-06 This volume offers insights into contemporary trends and perspectives in psychobiographical research. It applies new theoretical and methodological frameworks and presents discourses on psychobiography from transdisciplinary backgrounds and various socio-cultural contexts, displaying the new state of the art, new trends and themes in psychobiography. The book outlines psychobiography's outstanding contribution to psychology from 36 internationally reputable authors. It also presents the ideas of five outstanding psychobiographers through interview excerpts. This book is a must for researchers, lecturers, and practitioners in the field of psychology and social sciences interested in the use of new psychological theories and methodologies in life-span research.

Positive Psychology: Theory, Research And Applications Hefferon, Kate, Boniwell, Ilona, 2011-05-01 Kate Hefferon and Ilona Boniwell have done an excellent job on this introduction to Positive Psychology. I encourage educators, students, and everyone else interested in an updated, well-written, and culturally balanced approach to the scientific study of human flourishing to read this highly accessible yet rigorously crafted text and to get it under your skin by ways of carefully chosen tests and exercises.

Hans Henrik Knoop Aarhus University Denmark and President European Network for Positive Psychology. This accessible yet comprehensive book provides an excellent new resource in the area of positive psychology. Students, researchers, and practitioners alike will benefit from the skilful and lively integration of theory, research, and application. The authors are prominent members of the international positive psychology movement and as such are able to deliver a confident, practical, and overarching assessment of the area integrated into psychology more widely.

Angela Clow University of Westminster UK. This is an exceptional book that synthesizes more than a decade of positive psychology research into chapters that are engaging, accessible, and educational. Hefferon and Boniwell demonstrate a mastery of the literature through the ways in which they have marshaled the evidence from research and practice into this invaluable resource. This book will become an essential reference guide for researchers, educators, and practitioners of positive psychology around the world.

Professor Alex Linley, Founding Director, Capp. This book is a valuable resource for students looking for an introduction to Positive Psychology but also wanting to get a comprehensive and updated overview of this innovative approach to the study of human behaviour and experience. It provides a broad coverage of the most relevant theories and constructs developed within Positive Psychology and of their relevance for intervention and application in the most diverse life domains. Hefferon and Boniwell use a rigorous, though accessible and friendly style of presentation. By means of effective learning supports, they stimulate readers' active engagement in critical reflections on each topic. The authors address the several issues and open questions which still characterize Positive Psychology as a relatively recent domain through a balanced and objective approach.

The Top Books of the Year Trending Positive Psychology The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the engaging narratives that have charmed audiences this year. Trending Positive Psychology : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Trending Positive Psychology : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and thrilling novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
