

A person is standing on a grassy hill, looking out over a vast, hazy landscape. The person is wearing a dark shirt and shorts. The background is a soft, out-of-focus view of rolling hills and a clear sky. The text is overlaid on the image in a white, handwritten font.

When you realize  
nothing is lacking,  
the whole world  
belongs to you.

**The History of Religion of Wei, Jin, Southern and Northern Dynasty** Li Shi, The book is the volume of The History of Religion of Wei Jin Southern and Northern Dynasty among a series of books of Deep into China Histories The earliest known written records of the history of China date from as early as 1250 BC from the Shang dynasty c 1600 1046 BC and the Bamboo Annals 296 BC describe a Xia dynasty c 2070 1600 BC before the Shang but no writing is known from the period The Shang ruled in the Yellow River valley which is commonly held to be the cradle of Chinese civilization However Neolithic civilizations originated at various cultural centers along both the Yellow River and Yangtze River These Yellow River and Yangtze civilizations arose millennia before the Shang With thousands of years of continuous history China is one of the world's oldest civilizations and is regarded as one of the cradles of civilization The Zhou dynasty 1046 256 BC supplanted the Shang and introduced the concept of the Mandate of Heaven to justify their rule The central Zhou government began to weaken due to external and internal pressures in the 8th century BC and the country eventually splintered into smaller states during the Spring and Autumn period These states became independent and warred with one another in the following Warring States period Much of traditional Chinese culture literature and philosophy first developed during those troubled times In 221 BC Qin Shi Huang conquered the various warring states and created for himself the title of Huangdi or emperor of the Qin marking the beginning of imperial China However the oppressive government fell soon after his death and was supplanted by the longer lived Han dynasty 206 BC 220 AD Successive dynasties developed bureaucratic systems that enabled the emperor to control vast territories directly In the 21 centuries from 206 BC until AD 1912 routine administrative tasks were handled by a special elite of scholar officials Young men well versed in calligraphy history literature and philosophy were carefully selected through difficult government

examinations China's last dynasty was the Qing 1644-1912 which was replaced by the Republic of China in 1912 and in the mainland by the People's Republic of China in 1949 Chinese history has alternated between periods of political unity and peace and periods of war and failed statehood the most recent being the Chinese Civil War 1927-1949 China was occasionally dominated by steppe peoples most of whom were eventually assimilated into the Han Chinese culture and population Between eras of multiple kingdoms and warlordism Chinese dynasties have ruled parts or all of China in some eras control stretched as far as Xinjiang and Tibet as at present Traditional culture and influences from other parts of Asia and the Western world carried by waves of immigration cultural assimilation expansion and foreign contact form the basis of the modern culture of China

**A Zen Quote A Day** Rahul Karn, 2021-06-24 Zen Masters are known to say things which appear to be shocking but are used as devices which can suddenly bring you to the present moment This collection includes 365 Existential Zen Quotes by various Zen Masters and philosophers which will take you on a contemplative and philosophical journey The quotes presented here are simple but are pregnant with deep meaning and subtlety that makes them worth reading again and again They will also motivate you to meditate Start your day with a Zen Quote and have a Zensational day ahead

**Life Between the Tigers** Kris Neely, 2013-02 Legendary Yankees catcher and accidental Zen master Yogi Berra once asked How can you think and hit at the same time The answer is you can't And you can't enjoy a full satisfying life while obsessing over the past or future You can't savor existence by living inside your head by thinking instead of doing This is one of the main themes of Zen Buddhism Zen teaches us to focus on the here and now to live in a reality that's meant to be fully experienced Zen is seeing into your true nature It's about liberation from our racing minds from limited perspectives about ourselves our relationships our emotions and reactions For many Zen Buddhists contemplating koans is a vital part of this path to liberation Life Between the Tigers is a new collection adapted for the modern Western reader of Buddhist parables and Zen koans paradoxes that challenge our perspective on life and reality In their original forms many koans are set in times and places that are alien to most Westerners They refer to traditions customs locations and histories that can confuse and even deter new students of Buddhism In Life Between the Tigers these classic stories have been edited into everyday English so the average reader can better understand and enjoy them Whatever your spiritual leanings Life Between the Tigers will challenge you to see something you previously could not or would not see provoking insights both profound and prosaic You know the sound of two hands clapping What is the sound of one hand asks one koan Linear logical thinking will get you nowhere with a riddle like that So prepare to let go of your logical mind and see reality for what it is a place where our words for things are not the things themselves and where human concepts limit our ability to understand the world around us
