## **Sisters Making Waves:**

*Murder Makes Waves* Anne George, 2009-02-24 Those hilarious southern sisters who prove that sibling rivalry never ends are heading for a vacation at the beach Mary Alice's flamboyant behavior aside serious sensible Patricia Anne looks forward to relaxing at her sister's beachfront condo in Destin Florida so she kisses her ever-loving spouse Fred good-bye reminds him to water the plants and feed the dog and the girls head south for some fun in the sun Mary Alice loses no time in making the acquaintance of just about everyone in sight so watching the sun go down on the beautiful shores of the Gulf of Mexico is a welcome respite as far as Patricia Anne is concerned until a dead body washes up in the waves and the victim turns out to be one of Mary Alice's newfound friends With no witnesses but the crime except a few great blue herons the sisters have no choice but to bypass the clueless police and follow their own instinct to find the killer Before long they're on a murky trail of dirty real estate deals giant turtle habitats and a sea of evidence pointing to a mammoth motive for murderer *Making Waves* Margaret Atack, Alison S. Fell, Diana Holmes, Imogen Long, 2019 1975 was a key year for the women's movement in France Through a critical exploration of the politics activism and cultural creativity of that moment this book evaluates the achievements and legacies of second wave French feminism for subsequent waves including the movement's contemporary resurgence *Making Waves* Sali A. Tagliamonte, 2015-08-25 *Making Waves* tells the human story of an academic field based on one-to-one interviews with 43 of the most famous scholars in Variationist Sociolinguistics Explanations of concepts ideas good practice and sage advice come directly from the progenitors of the discipline An authentic inside story about the origins of Sociolinguistics as Language Variation and Change recording the context and spirit of sociolinguistics Gives students access to the views on language variation of major sociolinguists such as Bill Labov and Peter Trudgill Offers a human story of an academic field and is written in the style of a novel offering complete accessibility with minimal in-group terminology Provides a timely audio archive of the reminiscences of the major Sociolinguists including Labov Fasold Milroy Trudgill and Wolfram with a companion website featuring 400 audio clips from the interviews Visit the site at [www.wiley.com/go/tagliamonte/makingwaves](http://www.wiley.com/go/tagliamonte/makingwaves) **Nolan Sisters, and, Making waves** The Nolan Sisters, 2009 **Making Waves** Jennifer Cole, 1986 **Queer TV China** Jamie J. Zhao, 2023-02-16 The 2010s have seen an explosion in popularity of Chinese television featuring same-sex intimacies LGBTQ-identified celebrities and explicitly homoerotic storylines even as state regulations on vulgar and immoral content grow more prominent This emerging queer TV China culture has generated diverse cyber and transcultural queer fan communities Yet these seemingly progressive televisual productions and practices are caught between multilayered sociocultural and political economic forces and interests Taking queer as a verb an adjective and a noun this volume counters the Western-centric conception of homosexuality as the only way to understand nonnormative identities and same-sex desire in the Chinese and Sinophone worlds It proposes an analytical framework of queer-ing TV China to explore the power of various TV genres and narratives censorial practices and fandoms in queer desire

voicing and subject formation within a largely heteropatriarchal society Through examining nine cases contesting the ideals of gender sexuality Chineseness and TV production and consumption the book also reveals the generative negotiative ways in which queerness works productively within and against mainstream seemingly heterosexual oriented televisual industries and fan spaces This cornucopia of fresh and original essays opens our eyes to the burgeoning queer television culture thriving beneath official media crackdowns in China As diverse as the phenomenon it analyses Queer TV China is the spark that will ignite a prairie fire of future scholarship Chris Berry Professor of Film Studies King s College London This timely volume explores the various possibilities and nuances of queerness in Chinese TV and fannish culture Challenging the dichotomy of positive and negative representations of gender and sexual minorities Queer TV China argues for a multilayered and queer informed understanding of the production consumption censorship and recreation of Chinese television today Geng Song Associate Professor and Director of Translation Program University of Hong Kong

The Hurricane Sisters Dorothea Benton Frank, 2014-06-03 Hurricane season begins early and rumbles all summer long well into September Often people s lives reflect the weather and The Hurricane Sisters is just such a story Once again New York Times bestselling author Dorothea Benton Frank takes us deep into the heart of her magical South Carolina Lowcountry on a tumultuous journey filled with longings disappointments and finally a road toward happiness that is hard earned There we meet three generations of women buried in secrets The determined matriarch Maisie Pringle at eighty is a force to be reckoned with because she will have the final word on everything especially when she s dead wrong Her daughter Liz is caught up in the classic maelstrom of being middle age and in an emotionally demanding career that will eventually open all their eyes to a terrible truth And Liz s beautiful twenty something daughter Ashley whose dreamy

ambitions of her unlikely future keeps them all at odds Luckily for Ashley her wonderful older brother Ivy is her fierce champion but he can only do so much from San Francisco where he resides with his partner And Mary Beth her dearest friend tries to have her back but even she can't talk headstrong Ashley out of a relationship with an ambitious politician who seems slightly too old for her Actually Ashley and Mary Beth have yet to launch themselves into solvency Their prospects seem bleak So while they wait for the world to discover them and deliver them from a ramen based existence they placate themselves with a hare brained scheme to make money but one that threatens to land them in huge trouble with the authorities So where is Clayton Liz's husband He seems more distracted than usual Ashley desperately needs her father's love and attention but what kind of a parent can he be to Ashley with one foot in Manhattan and the other one planted in indiscretion And Liz who's an expert in the field of troubled domestic life refuses to acknowledge Ashley's precarious situation Who's in charge of this family The wake up call is about to arrive The Lowcountry has endured its share of war and bloodshed like the rest of the South but this storm season we watch Maisie Liz Ashley and Mary Beth deal with challenges that demand they face the truth about themselves After a terrible confrontation they are forced to rise to forgiveness but can they establish a new order for the future of them all Frank with her hallmark scintillating wit and crisp insight captures how a complex family of disparate characters and their close friends can overcome anything through the power of love and reconciliation This is the often hilarious sometimes sobering but always entertaining story of how these unforgettable women became The Hurricane Sisters

**Sisters** Elizabeth Fishel,1994 The intense bond of sisters sometimes best friends sometimes rivals is as important as the relationship between mother and daughter Through interviews with more than 150 women Fishel investigates this important family link revealing intense competition unwavering devotion and profound ambivalence Photos

*Double Crossed* Kenneth Briggs,2007-12-18 This groundbreaking exposé of the mistreatment of nuns by the Catholic Church reveals a history of unfulfilled promises misuse of clerical power and a devastating failure to recognize the singular contributions of these religious women The Roman Catholic

Church in America has lost nearly 100 000 religious sisters in the last forty years a much greater loss than the priesthood While the explanation is partly cultural contemporary women have more choices in work and life Kenneth Briggs contends that the rapid disappearance of convents can be traced directly to the Church s betrayal of the promises of reform made by the Second Vatican Council In *Double Crossed* Briggs documents the pattern of marginalization and exploitation that has reduced nuns to second even third class citizens within the Catholic Church America s religious sisters were remarkable adventurous women They educated children managed health care of the sick and reached out to the poor and homeless They went to universities and into executive chairs Their efforts and successes however brought little appreciation from the Church which demeaned their roles deprived them of power and placed them under the absolute authority of the all male clergy Replete with quotations from nuns and former nuns *Double Crossed* uncovers a dark secret at the heart of the Catholic Church Their voices and Briggs s research provide compelling insights into why the number of religious sisters has declined so precipitously in recent decades and why unless reforms are introduced nuns may vanish forever in America **Sisters** Carol Saline, Sharon J.
