My Sister's Keeper Jodi Picoult, 2008-03 A major decision about me is being made and no one's bothered to ask the one person who most deserves it to speak her opinion The only reason Anna was born was to donate her cord blood cells to her older sister And though Anna is not sick she might as well be By age thirteen she has undergone countless surgeries transfusions and shots so that her sister Kate can somehow fight the leukemia that has plagued her since she was a child Anna was born for this purpose her parents tell her which is why they love her even more But now that she has reached an age of physical awareness she can't help but long for control over her own body and respite from the constant flow of her own blood seeping into her sister's veins And so she makes a decision that for most would be too difficult to bear at any time and at any age She decides to sue her parents for the rights to her own body *The Academy*, 1879 **The Theosophical Path**, 1912 **New Outlook**, 1953 **Two Rose Trees** Minnie Douglas, 1880 **The Awakening of Women** Frances Swiney, 1899 **Monthly Packet of Evening Readings for Members of the English Church (earlier "for Younger Members of the English Church")**, 1896 *Thoughts of Busy Girls ...
