**Catalogue** Army Medical Museum (U.S.),1866      **Women and Photography in Apartheid South Africa** Marie Meyerding,2025-04-29 Tracing the lives and works of five women in four case studies author Marie Meyerding examines the representation of women in the field of photography in South Africa in the second half of the twentieth century All of them are critically understudied with no existing scholarship dedicated exclusively to their photographic contributions Focusing on the representation of women on two different levels as agents behind the camera and as subjects in photographs it showcases women photographers portraying their female contemporaries and analyses to what extent they adhered to or subverted common forms of gender representation In recuperating their forgotten archives the book argues that none of these women are marginal figures but rather that each of them played a leading role in the field of photography in their own time The book will be of interest to scholars working in art history history of photography gender studies intersectionality and African studies      **Catalogue of the Surgical Section of the United States Army Medical Museum** Army Medical Museum (U.S.),1866      *Catalogue of the surgical Section of the United States Army Medical Museum* Alfred Alexander Woodhull,2022-01-26 Reprint of the original first published in 1866      **Catalogue of the U.S. Army Medical Museum** Woodhull,1866      *Official catalogue* Dublin international exhibition, 1865,1865      *American Photography* ,1928
