## with Analytic Geometry

Fifth Edition

The cover art depicts a perspective view of a spiral staircase, looking down from above. The concrete balustrade of the staircase forms a series of concentric, overlapping circular bands that spiral towards the center. A thin white line is drawn across the image, starting from the top left and ending at the bottom right. Along this line, there are five small red dots. The dots are positioned at the intersections of the white line with the circular bands of the staircase. The overall color palette is muted, consisting of various shades of beige, tan, and brown.
