his friendship with a disenchanted preacher in southern Indiana in the early 1930s When the boy was young he almost drowned This trauma and the loss of his mother in the same accident has left him deathly afraid of water The preacher set on breaking away from a long line of Kentucky family preachers is determined not to do what he does best He works as a mechanic for the boy s father The town doesn t have a preacher and the women try to persuade him to preach while he tries to persuade the child to wash When the preacher finally gets the boy in the river and is washing him the townspeople mistake the scene for a baptism They descend on the event and in the confusion the boy drowns

**Changing the Story**  
Gayle Greene,1992-01-22 Changing the Story gives an excellent and well informed account of the differences between the American Canadian British and French attitudes towards feminism and feminist fiction and literary theory a very readable book which reminds us that literature can change us and that through it we can change ourselves Margaret Drabble A distinctive contribution clear elegant precise and well read to the feminist discussion of narrative of Anglo Canadian white North American novelists and to contemporary fiction Greene tracks how feminist novelists draw upon and negotiate with traditional narrative patterns and how their critical approach implicates and provokes social change The book brings us to an intelligent post humanism which does not scant the social meanings of metafictional critique And in addition this book remembers hope Rachel Blau DuPlessis Changing the Story is an invaluable guide to the feminist classics of the last three decades This is cultural criticism at its best engaged re visionary and politically astute Nancy K Miller Greene tells a very good tale about how feminist fiction emerged developed made changes in the world and now threatens to wane The Women s Review of Books Her probing analysis should captivate general readers as well as academics WLW Journal Changing the Story is an important work of feminist criticism certain to spark controversy within the feminist community American Literature The feminist fiction movement of the 1960s 1980s was and is as significant a movement as Modernism Gayle Greene focuses on the works of Doris Lessing Margaret Drabble Margaret Atwood and Margaret Laurence to trace the roots of this feminist literary explosion She also speculates on the future of feminist fiction in the current regressive period of post feminism
