Star To Guide Us:

Sword of Stars Raven McKnight,2024-03-10 Fate sends Kestrel and Aria onto different paths Their lives are thrown into turmoil and each must come to grips with the absolute truths of their situation Aria must embrace a legacy she never knew she had as she is plunged into the world of the elite Navigating the viper pit of social circles and given an opportunity that people either envy or despise Kes with war on the horizon walks the path of a soldier but thankfully he is not alone as Gavyn follows him Determined to help fashion him into a formidable warrior When war finally erupts between Tartha and Sakkara both are dragged into the harsh reality of the conflict During the chaos both have their roles to play while learning to rely on new friends and alliances

A course of Sunday school lessons on the Gospel story for the whole of the Christian year John Watson,1883

Preaching in Place Mark R. Rigg,2022-06-29 Why is preaching so often bad Why is worship so often dull Why do Sunday mornings so often fail to help the folks in the pews live a faithful life from week to week And what can be done about it Many will tell us that there are easy and purchasable fixes More technology Less tradition Virtual worship Thinking big The land and the farm model for us a different path As Mark Rigg shows in this concise introduction to Wendell Berry the themes that have illuminated the Kentucky farmer s essays fiction and poetry for fifty years have a great deal to say to the church They offer an agrarian model of church where the focus is on the local the tangible and the communal Out of such a model emerges a new approach to preaching Both congregation members and preachers themselves will find themselves called to turn away from sermons that echo the promises of an individualistic consumer culture and to proclaim instead Jesus Christ in the midst of the local community
