TANAK Marvin A. Sweeney, 2011-11-01 Though biblical theology has long been considered a strictly Christian enterprise Marvin A Sweeney here proposes a Jewish theology of the Hebrew Bible based on the importance of Tanak as the foundation of Judaism and organized around the major components Torah Nevi im Prophets and Kethuvim Writings Sweeney finds the structuring themes of Jewish life the constitution of the nation Israel in relation to God the disruption of that ideal documented by the Prophets and the reconstitution of the nation around the Second Temple in the Writings Throughout he is attentive to tensions within and among the texts and the dialogical character of Israel s sacred heritage Publisher description

A Passion for Christ Thomas F. Torrance, James B. Torrance, David W. Torrance, 2010-05-01 In a culture increasingly secular in its pursuits and indifferent to the voice of the church how may we ignite the fire for ministry that will bring the gospel to the world How can weary pastors be sustained amidst a climate of doubt and resistance For more than half a century three remarkable brothers have offered a vision that has inspired thousands in churches and seminaries Today their message remains fresh and relevant as we enter a new millennium And for one reason The Brothers Torrance share a passion for Christ the Christ of the Scriptures the Christ of the historic Nicene faith These essays distill the essence of their thought and shine with the clarity of their shared vision A Passion for Christ is a light of encouragement for ministers and lay people elsewhere *Report of the Debates in the Convention of California on the Formation of the State Constitution, in September and October, 1849* by J.
