Virtual Collaboration Ebook:

Virtual Teams Terri R. Kurtzberg, 2014-03-28 To advance in today's workplace requires virtual team skills. Most individuals assume their face-to-face skills will translate, but competency with virtual communication and teamwork requires an entirely new set of skills. This book guides readers down the path to success. Electronic communication is now embedded in our daily experience, as is work involving off-site collaborators. Virtual communication has become an essential job skill that is critical to individual and group success, yet most people just muddle through it without giving it any thought. Drawing on decades of scientific research in the fields of psychology, organizational behavior, and sociology, this book explains how to master the art and science of communicating virtually. The author first analyzes the subtle but significant changes that result when conversations are moved online, providing examples and tips to avoid common pitfalls, then discusses how team behavior and decision making can best be guided in this realm. Readers will fully understand what makes teams click, what inspires trust, how to get a team off on the right foot, and what steps to take in order to make good collaborative decisions, as well as other key topics for virtual teamwork, such as best practices for working in the cross-cultural environment. The book serves as an ideal guide for anyone who participates in or manages a virtual team, but is also suitable as a supplemental textbook in a business school course on organizational behavior or business communication.

Connecting Your Students with the Virtual World Billy Krakower, Jerry Blumengarten, 2020-12-28 Make the most of today's technology to give your students a more interactive, authentic, global learning experience. *Connecting Your Students with the Virtual World* shows you how to plan themed projects for every season, embark on virtual field trips, and get students in touch with other classrooms worldwide. This updated edition includes a key new chapter on taking video conferencing to the next level for optimal student engagement and collaboration, as well as new chapters on connecting through games and esports, and connecting with parents. The book includes a wide variety of standards-based, step-by-step activities you can implement immediately.

Business Goes Virtual John P. Girard, 2011 This book combines academic theory with real-world practitioner success stories to provide executives a summary of current best practices. This book examines five virtual business strategies that are showing unprecedented opportunity. The Any Place Any Time strategy focuses on providing high-quality service 24/7 by ignoring traditional geographic challenges.

Leading Virtual Teams Harvard Business School Press, 2010-04-01 How do you lead a team scattered all over the globe? How do you keep members you can't see focused, communicative, and productive? This book helps you understand both the benefits and challenges of virtual teams and shows you how to build and coach a community that promotes collaboration and ongoing communication.

The Virtual Manager Collection (3 Books) (HBR 20-Minute Manager Series) Harvard Business Review, 2016-07-12

Learn how to work productively from anywhere. Today we have greater control over where and when we work. As our businesses spread across the world and technology makes it easy to do our jobs from anywhere, there's Wi-Fi everywhere. More of us have the option to go remote. But that doesn't mean we're good at it. Whether you're calling in from a home office every day or one of your team members occasionally logs in from the quiet car on a train, distance can make collaboration more difficult. Remote work gives teams flexibility and options, but when you're not face-to-face with colleagues, it's difficult to set and manage expectations, deal with inevitable tech glitches, keep your people and yourself motivated and engaged, and infuse warmth and personality into the blunt communication tools you're using. The Virtual Manager Collection gives you the solutions you need to be productive, whether you're managing a team, a project, or just your own work. This specially priced three-volume set includes *Virtual Collaboration*, *Running Virtual Meetings*, and *Leading Virtual Teams*. Tips and strategies cover getting your technology up and running and keeping it there, building and maintaining relationships from afar, communicating well through a variety of media, running productive virtual meetings, setting and managing expectations for your work, and leading geographically dispersed teams. This set has the practical advice, insights, and tools you need to work well, no matter where you are. Don't have much time? Get up to speed fast on the most essential business skills with HBR's 20-Minute Manager series. Whether you need a crash course or a brief refresher, each book in the series is a concise, practical primer that will help you brush up on a key management topic. Advice you can quickly read and apply for ambitious professionals and aspiring executives from the most trusted source in business. Also available as an ebook.
