Summers, 2015-05-25 What does it mean when consumers shop with a conscience and choose products labeled as fair or sustainable? Does this translate into meaningful changes in global production processes? To what extent are voluntary standards implemented and enforced, and can they really govern global industries? *Looking behind the Label* presents an informative introduction to global production and ethical consumption, tracing the links between consumers' choices and the practices of multinational producers and retailers. Case studies of several types of products—wood and paper, food, apparel, and footwear, and electronics—are used to reveal what lies behind voluntary rules and to critique predominant assumptions about ethical consumption as a form of political expression. *Shop Green, Live Well* Carla Windsor, 2023-11-10 **Shop Green Live Well The Eco Conscious Consumer's Guide to Shopping** Are you tired of feeling guilty about your shopping habits?
