Singularity Poems

**William Peterfield Trent, Benjamin
Willis Wells**

Singularity Poems:

The Cambridge Companion to the Poem Sean Pryor, 2024-06-06 What is a poem What ideas about the poem as such shape how readers and audiences encounter individual poems To explore these questions the first section of this Companion addresses key conceptual issues from singularity and genre to the poem's historical exchanges with the song and the novel The second section turns to issues of form focusing on voice rhythm image sound diction and style The third section considers the poem's social and cultural lives It examines the poem in the archive and in the digital sphere as well as in relation to decolonization and global capitalism The chapters in this volume range across both canonical and non-canonical poems poems from the past and the present and poems by a diverse set of poets This book will be a key resource for students and scholars studying the poem

Care Ethics and Poetry Maurice Hamington, Ce Rosenow, 2019-05-17 Care Ethics and Poetry is the first book to address the relationship between poetry and feminist care ethics The authors argue that morality and more specifically moral progress is a product of inquiry imagination and confronting new experiences Engaging poetry therefore can contribute to the habits necessary for a robust moral life specifically caring Each chapter offers poems that can provoke considerations of moral relations without explicitly moralizing The book contributes to valorizing poetry and aesthetic experience as much as it does to reassessing how we think about care ethics

Sensation, Contemporary Poetry and Deleuze Jon Clay, 2010-08-05 *Singularity* Greg Glazner, 1998-04-17 Integrates musical phrasings texturing and a range of styles and viewpoints into a collection of poetry that explores a delicate balance between comic irony and lyric intensity

Singularity Peter Arthur Middleton, 1985* *The Digby Poems* Bodleian Library, 2009 Helen Barr's new edition comprises the 24 short lyrics of Oxford Bodleian MS Digby 102 freshly transcribed and edited There is a full critical apparatus with a substantial introduction and annotation to each poem New evidence shows that this sequence of poems was written in the early years of Henry V's reign and most probably by a Benedictine monk eager to add his support for the Henrician new dawn The poems are rigorous in their call for orthodox reform from within the Church There is strong support for war against France and for the proper conduct of parliamentary business Throughout the concerns of Church and State are inseparable from a fierce call for penance both collective and individual The sequence contains some harrowing devotional writing and human beings are left in no doubt as to their failings Yet the poet's voice is spry and dexterous and there is an especially agile use of stanzaic form Barr's extensive annotation brings out not just the political emphasis of the poems but also their place in the tradition of devotional writing

Book Jacket **English Poems** Walter Cochrane Bronson, 1907

Beckett, Derrida, and the Event of Literature Asja Szafraniec, 2007 The late Jacques Derrida's notion of literature is explored in this new study Starting with Derrida's self-professed inability to comment on the work of Samuel Beckett whom Derrida nevertheless considered one of the most interesting and exemplary writers of our time Asja Szafraniec argues that the shared feature of literary works as Derrida understands them is a double juridical economical gesture and

that one aspect of this notion the juridical is more hospitable to Beckett's oeuvre than the other. She then discusses other contemporary philosophical approaches to Beckett including those of Gilles Deleuze, Stanley Cavell, and Alain Badiou. The book offers an innovative analysis of Derrida's approach to literature as well as an overview of current philosophical approaches to contemporary literature and a number of innovative readings of Beckett's work.

The Poems and Sonnets of Shakespeare William Shakespeare, 1903 *The Dublin University Magazine*, 1874
