the USSR, 1961/1962 ,1962 *Who's who in the USSR 1961/62* Heinrich E. Schulz, Stephen S. Taylor, 1962 **Soviet Security and Intelligence Organizations 1917-1990** Michael Parrish, 1992-01-30 One of the hallmarks of the Soviet system was its heavy reliance on internal and foreign security and intelligence organizations Not surprisingly given the secrecy surrounding Soviet efforts in these areas no biographical reference tools and few bibliographies have been published to date In this context Michael Parrish's work is a unique undertaking In the first section to the volume biographies are provided on some 4 000 officials in senior and mid level positions who had served in Cheka NKVD RFSFR GPU KGB and other organizations Also included are officials of the Committee for State Control formerly Ministry of State Control and before that Commissariat of Workers and Peasants Inspection Prominent political personalities with earlier ties to security services such as N A Bulganin are listed even though such service formed only a brief part of their careers Others listed include party officials such as A A Kuznetsov who at different times served as the Party's watchdog of security organs Also included because of their close association with repression and security organs are members of Stalin's inner circle The second part of the volume is a survey of books in English published between 1917 and 1990 which related to Soviet security and intelligence organizations This is followed by a biographical addendum a glossary of terms and material showing the development of Soviet security organizations No one concerned with current intelligence issues and the role of security organizations in Soviet life can ignore this volume *Biographical Dictionary of Medalists: A-D* Leonard Forrer, 1904

Guide to Reference in Genealogy and Biography Mary K. Mannix, Fred Burchsted, 2015-01-14 Profiling more than 1400 print and electronic sources this book helps connect librarians and researchers to the most relevant sources of information in genealogy and biography **The Bibliographical Dictionary of Russian and Soviet Economists** Robert Campbell, 2012-08-21 Despite the restrictions on their work and actions the economists of the Soviet period produced a great deal of bold and important work With the erosion of the old Stalinist controls economists in the Soviet Union themselves became very interested in the history of their profession not least in order to find authentic voices that might offer reinforcement or counterpoint to the policy analyses and recommendations with which policy makers in the transition countries are today being bombarded This major new reference work pulls together many years of research in order to present a bio bibliographic dictionary of Russian and Soviet economists many of whom have previously had no coherent record compiled of their careers achievements and wider significance Through exploring this rich tradition of economic thought we can go some way in understanding the role of economists in the functioning of the Soviet system as well as bringing previously forgotten work to light raising new questions and providing a memorial to those who suffered as a result of the system This hugely detailed and important new volume takes into account all the nuances of the story of Russian and Soviet economic thought such as regional issues the reform and transition to a market economy and the economic output of non economists Featuring nearly 500 entries and including a detailed contextual introduction this landmark volume will be a

vitally important reference work for all those with an interest in the history of economic thought the history of economics and Russian and Soviet history more generally **Soviet Security and Intelligence Organizations, 1917-1990** Michael Parrish,1991 **Russia and Eastern Europe, 1789-1985** Raymond Pearson,1989 **Reference Sources in History** Ronald H. Fritze,Brian E. Coutts,Louis A. Vyhnanek,2004-03-09 Fully annotated and completely updated the most comprehensive guide to reference books in the field of history Reference Sources in History catalogs atlases encyclopedias dictionaries handbooks sourcebooks bibliographies and chronologies and makes sense of it all Its broad scope and systematic organization make it an accessible reliable resource for experienced and inexperienced researchers alike Fully annotated and updated the new edition summarizes hundreds of reference works on every conceivable subject in history from ancient to modern from Afghanistan to Zimbabwe This edition also reflects the dramatic impact of the digital revolution on historical research by integrating a wide range of Internet and CD ROM sources Reference Sources in History is a time saving alternative to searching the reference stacks or getting lost in an online thicket of dubious historical websites

Soviet Union Biographical Dictionary Introduction

In today's digital age, the availability of Soviet Union Biographical Dictionary books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Soviet Union Biographical Dictionary books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Soviet Union Biographical Dictionary books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Soviet Union Biographical Dictionary versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Soviet Union Biographical Dictionary books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Soviet Union Biographical Dictionary books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Soviet Union Biographical Dictionary books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare,

which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Soviet Union Biographical Dictionary books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Soviet Union Biographical Dictionary books and manuals for download and embark on your journey of knowledge?
