## **Stalin Against Jews:**

Stalin's War Against the Jews Louis Rapoport, 1990 In 1952 nine Kremlin doctors all Jews were seized and accused of plotting to poison the Soviet leaders Rapoport's account of the final 14 months of Stalin's life reveals that the so called Doctors Plot was a culminating step in the dictator's lifelong war against the Jews and argues that only Stalin's sudden death in 1953 prevented the unfolding of his own solution to the Jewish problem in the Soviet Union Annotation copyrighted by Book News Inc Portland OR

*Stalin and His Hangmen* Donald Rayfield, 2007-12-18 Stalin did not act alone The mass executions the mock trials the betrayals and purges the jailings and secret torture that ravaged the Soviet Union during the three decades of Stalin's dictatorship were the result of a tight network of trusted henchmen and women spies psychopaths and thugs At the top of this pyramid of terror sat five indispensable hangmen who presided over the various incarnations of Stalin's secret police Now in his harrowing new book Donald Rayfield probes the lives the minds the twisted careers and the unpunished crimes of Stalin's loyal assassins Founded by Feliks Dzierzynski the Cheka the Extraordinary Commission came to life in the first years of the Russian Revolution Spreading fear in a time of chaos the Cheka proved a perfect instrument for Stalin's ruthless consolidation of power But brutal as it was the Cheka under Dzierzynski was amateurish compared to the well oiled killing machines that succeeded it Genrikh Iagoda's OGPU specialized in political assassination propaganda and the manipulation of foreign intellectuals Later the NKVD recruited a new generation of torturers Starting in 1938 terror mastermind Lavrenti Beria brought violent repression to a new height of ingenuity and sadism As Rayfield shows Stalin and his henchmen worked relentlessly to coerce and suborn leading Soviet intellectuals artists writers lawyers and scientists Maxim Gorky Aleksandr Fadeev Alexei Tolstoi Isaak Babel and Osip Mandelstam were all caught in Stalin's web courted toyed with betrayed and then ruthlessly destroyed In bringing to light the careers personalities relationships and accomplishments of Stalin's key henchmen and their most prominent victims Rayfield creates a chilling drama of the intersection of political fanaticism personal vulnerability and blind lust for power spanning half a century Though Beria lost his power and his life after Stalin's death in 1953 the fundamental methods of the hangmen maintained their grip into the second half of the twentieth century Indeed Rayfield argues the tradition of terror far from disappearing has emerged with renewed vitality under Vladimir Putin Written with grace passion and a dazzling command of the intricacies of Soviet politics and society *Stalin and the Hangmen* is a devastating indictment of the individuals and ideology that kept Stalin in power

*Lives of Hitler's Jewish Soldiers* Bryan Mark Rigg, 2009 They were foot soldiers and officers They served in the regular army and the Waffen SS And remarkably they were also Jewish at least as defined by Hitler's infamous race laws Pursuing the thread he first unraveled in *Hitler's Jewish Soldiers* Bryan Rigg takes a closer look

at the experiences of Wehrmacht soldiers who were classified as Jewish In this long awaited companion volume he presents interviews with twenty one of these men whose stories are both fascinating and disturbing As many as 150 000 Jews and partial Jews or Mischlinge served often with distinction in the German military during World War II The men interviewed for this volume portray a wide range of experiences some came from military families some had been raised Christian revealing in vivid detail how they fought for a government that robbed them of their rights and sent their relatives to extermination camps Yet most continued to serve since resistance would have cost them their lives and they mistakenly hoped that by their service they could protect themselves and their families The interviews recount the nature and extent of their dilemma the divided loyalties under which many toiled during the Nazi years and afterward and their sobering reflections on religion and the Holocaust including what they knew about it at the time Rigg relates each individual s experiences following the establishment of Hitler s race laws shifting between vivid scenes of combat and the increasingly threatening situation on the home front for these men and their family members Their stories reveal the constant tension in their lives how some tried to hide their identities and how a few were even Aryanized as part of Hitler s effort to retain reliable soldiers including Field Marshal Erhard Milch three star general Helmut Wilberg and naval commander Bernhard Rogge Chilling compelling almost beyond belief these stories depict crises of conscience under the most stressful circumstances Lives of Hitler s Jewish Soldiers deepens our understanding of the complex intersection of Nazi race laws and German military service both before and during World War II **Jewish Observer and Middle East Review** ,1975 Current History ,1927 *Stalin's Secret War* Robert W.
