College Success 101 Bill Leamon, 2020-02-11 ABOUT THE BOOK The first 101 days of college from a student s first class to their final exam are a critical time and can mean the difference between success and failure In this book based on a talk I have given to over 15 000 students at 100 high schools I share everything I have learned over the past 10 years as a college professor as to why some students succeed while others do not Using short chapters supporting illustrations and an engaging writing style students are given step by step instructions on how to approach their college experience starting 30 days prior to their first semester The book provides simple strategies on how students can get off to a strong start in college and persist to graduation within 4 years avoiding having to pay for an extra semester or two by developing proper planning time management and study skills while giving encouragement building confidence and alleviating anxiety The purpose of this

book is to accelerate the personal and professional growth of college freshmen giving readers the tools and training needed to succeed in college preparing students to become confident leaders and high achievers on campus and positioning them for career success upon graduation By the end of this beautifully designed and professionally illustrated book any anxiety about college will go away and students will be excited about what is to come as they begin the next chapter of their lives BUY ONE GIVE ONE CollegeSuccess101 org is a social enterprise committed to college completion especially those lacking family financial support For every book purchased one book is given to a low income first generation college student as a high school graduation gift GUIDANCE COUNSELOR RECOMMENDATIONS Professor Leamon is right on point with identifying the many challenges college freshmen often encounter offering concrete solutions to achieve college success Linda Gabor Director of College Counseling Saint Ignatius High School Professor Leamon s step by step no nonsense approach to navigating college is easy for students to remember and follow Mary Jane Loushin Guidance Counselor Amherst High School Professor Leamon s book describes exactly what high school students need to know to succeed when they get to college Dr Dawn Ruebensaal College Career Guidance Counselor Berea Midpark High School ABOUT THE AUTHOR I am an experienced professor and program director committed college and career coach and successful speaker and social entrepreneur having given my College Success 101 Talk to over 15 000 students at 100 high schools over the past 3 years Helping students smoothly transition from high school to college and from college to career is both my passion and profession In 2019 I wrote College Success 101 A Professor s Simple Strategies for Success in Your First 101 Days launched CollegeSuccess101 org and began 1 1 college coaching in order to help more students build their college knowledge and future prospects

Seven Steps to College Success Elizabeth C. Hamblet, 2023-03-08 Just when I ve mastered the IEP process here comes college If you re a parent of a student with a disability who has an IEP or 504 or you re a professional who works with them you probably know the K 12 landscape well But you may have questions about what happens for these students when they get to college where the shifts in prevailing laws result in a disability accommodation system that works differently the academic demands increase and some of the supports students have used in high school won t be available The good news is that research shows that the proper preparation can help students make a smooth college transition But the planning needs to be rooted in a thorough understanding of the changes they ll encounter in the college environment In this essential guide college learning disabilities specialist Elizabeth C Hamblet builds a foundation of knowledge step by step and answers your urgent questions In 7 Steps to College Success you ll learn how students access accommodations and which ones commonly are and aren t approved parents and professionals can help students develop the key personal and academic skills needed for self management at college students can find colleges that are a good fit in all of the important ways and what admissions directors want them to know about the application process This third edition has been greatly revised to make it equally helpful to parents and professionals It includes updated research and interviews and new in this

edition is corrections to common myths readers may have heard
