Stephen Biko:

The Testimony of Steve Biko Steve Biko, 2017-10-01 What comes first to mind when one thinks of political trials in South Africa are the Rivonia Trial of 1956-61 and the Treason Trial of 1963-64 Rarely if ever is the 1976 SASO BPC trial mentioned in the same breath and yet it was perhaps the most political trial of all The defendants all members of the South African Students Organisation or the Black People's Convention were in the dock for having the temerity to think to have opinions to envisage a more just and humane society It was a trial about ideas but as it unfolded it became a trial of the entire philosophy of Black Consciousness and those who championed its cause On 2 May 1976 senior counsel for the defence in the trial of nine black activists in Pretoria called to the witness stand Stephen Bantu Biko Although Biko was known to the authorities and indeed was serving a banning order not much about the man was known by anyone outside of his colleagues and the Black Consciousness Movement That was about to change with his appearance as a witness in the SASO BPC case He entered the courtroom known to some but after his four day testimony he left as a celebrity known to all *Steve Biko* Lindy Wilson, 2012-07-04 Steve Biko inspired a generation of black South Africans to claim their true identity and refuse to be a part of their own oppression Through his example he demonstrated fearlessness and self esteem and he led a black student movement countrywide that challenged and thwarted the culture of fear perpetuated by the apartheid regime He paid the highest price with his life The brutal circumstances of his death shocked the world and helped isolate his oppressors This short biography of Biko shows how fundamental he was to the reawakening and transformation of South Africa in the second half of the twentieth century and just how relevant he remains Biko's understanding of black consciousness as a weapon of change could not be more relevant today to restore people to their full humanity As an important historical study this book's main sources were unique interviews done in 1989 before the end of apartheid by the author with Biko's acquaintances many of whom have since died Biko Donald Woods, 2021-05-13 Editor of a leading anti apartheid paper Donald Woods was a friend of Steve Biko Founder of the Black Consciousness Movement and went into exile in order to write his testimony about the life and work of a remarkable man **Biko - Cry Freedom** Donald Woods, 1987-11-15 A revised edition this text presents a biography of the life and concerns of Steve Biko I Write what I Like Steve Biko, 2017 **Government Leaders, Military Rulers and Political Activists** David W. Del Testa, 2014-01-27 In each volume an introductory essay outlines the history of the disciplines under discussion and describes how changes and innovations in these disciplines have affected our lives The biographies that follow are organized in an A-Z format each biography is divided into a life section describing the individual's life and influences and a legacy section summarizing the impact of that individual's work throughout history These biographies cover a diverse group of men and women from around the globe and throughout history Franklin Delano Roosevelt Mao Tse-tung and Genghis Khan are among the 200 well known historical figures included in this volume Examples of other lesser known yet important individuals covered in this work are Gustavus Adolphus Swedish

empire creator Hatshepsut queen of ancient Egyptian dynasty and Jean Jaur s French socialist leader and pacifist Each synopsis provides information on each individual s enduring impact on the common understanding of fundamental themes of human existence

Steve Biko Chris Van Wyk,2003 *I Write What I Like* Steve Biko,2015-10-16 The most potent weapon in the hands of the oppressor is the mind of the oppressed Like all of Steve Biko s writings those words testify to the passion courage and keen insight that made him one of the most powerful figures in South Africa s struggle against apartheid They also reflect his conviction that black people in South Africa could not be liberated until they united to break their chains of servitude a key tenet of the Black Consciousness movement that he helped found *I Write What I Like* contains a selection of Biko s writings from 1969 when he became the president of the South African Students Organization to 1972 when he was prohibited from publishing The collection also includes a preface by Archbishop Desmond Tutu an introduction by Malusi and Thoko Mpumlwana who were both involved with Biko in the Black Consciousness movement a memoir of Biko by Father Aelred Stubbs his longtime pastor and friend and a new foreword by Professor Lewis Gordon Biko s writings will inspire and educate anyone concerned with issues of racism postcolonialism and black nationalism

Biko's Ghost Shannen L. Hill,2015-05-21 When you say Black is Beautiful what in fact you are saying is Man you are okay as you are begin to look upon yourself as a human being With such statements Stephen Biko became the voice of Black Consciousness And with Biko s brutal death in the custody of the South African police he became a martyr an enduring symbol of the horrors of apartheid Through the lens of visual culture Biko s Ghost reveals how the man and the ideology he promoted have profoundly influenced liberation politics and race discourse in South Africa and around the globe ever since Tracing the linked histories of Black Consciousness and its most famous proponent Biko s Ghost explores the concepts of unity ancestry and action that lie at the heart of the ideology and the man It challenges the dominant historical view of Black Consciousness as ineffectual or racially exclusive suppressed on the one side by the apartheid regime and on the other by the African National Congress Engaging theories of trauma and representation and icon and ideology Shannen L Hill considers the martyred Biko as an embattled icon his image portrayals assuming different shapes and political meanings in different hands So too does she illuminate how Black Consciousness worked behind the scenes throughout the 1980s a decade of heightened popular unrest and state censorship She shows how in streams of imagery that continue to multiply nearly forty years on Biko s visage and the ongoing life of Black Consciousness served as instruments through which artists could combat the abuses of apartheid and unsettle the rainbow nation that followed
