through which critics have tried to read her Feminism with its gendering of beauty and reversal of gender roles Capitalism and its Marxist critique here the details of Burney s housekeeping become important Professionalism as a response to status inconsistency and class conflict and Ian Watt s Formal Realism Burney perhaps saved the novel from a sharp decline it suffered in the 1770s even as she tried to distance herself from the genre Burney s most successful writing appeared before the coining of ideology But her standing prior to ideology is not a matter of chronological accident Rather she quietly but forcefully resisted shared explanations domesticity as model for household management debt as basis for family finance professional status as a means to social confidence the novel as the dominant literary genre that became popular during her long and eventful life Frederic Jameson has described Paul de Man in private conversation claiming Marxism has no way of understanding the eighteenth century Frances Burney and Narrative Prior to Ideology conjoins Burney s eighteenth century with her modernity Published by University of Delaware Press Distributed worldwide by Rutgers University Press
