The Premar Experiments Robert H. Rimmer,1975 **The Premar Experiments : a Novel** Robert H. Rimmer,1977-04-05 The Harrad Experiment Robert H. Rimmer,2010-09-30 A new age experiment takes place in the 1960s at Harrad College a privately endowed and liberally run school that admits carefully selected students This social experiment encourages premarital living arrangements and is totally committed not mere lip service or public relations hype to getting young men and women to think and act for themselves What do they think about Everything that interests the author Bob Rimmer human relations sex history philosophy anatomy existentialism art music Zen politics and once more sex Four Harrad students record their thoughts regularly for four years Their diaries include large chunks of college action conversation and portraits of fellow students so the reader is swept into the lives of these young adults trying to sort out the jumbled mores of America s Sixties Stanley Kolasukas a bright good looking youth from a poor Polish family finds himself a roommate of Sheila Grove the introspective daughter of an oil millionaire Harry Schacht a brilliant but ungainly medical student from an Orthodox Jewish background lives with Beth Hillyer a girl with enough drive to be a better doctor and enough sensuality to need many men in her life Jack Dawes imaginative and enthusiastic lives with Valerie Latrobe a dominant girl who believes she can better any man at anything The original Harrad Experiment sold more than three million copies This 25th anniversary edition includes a new epilogue describing the startling Harrad Premar Solution a fully up to date and annotated bibliography of books that support the daring joyfully subversive premises outlined in Harrad and Robert Rimmer s candid controversial autobiography When you have read this book you will find yourself entertaining the question of whether a real life Harrad Experiment could or should be going on somewhere today turning out a very special group of young men and women with the potential to utterly change America s ways of living thinking and loving in the 21st century

The Premar Experiments Robert H. Rimmer,1975 Sex, Love, and Marriage in the 21st Century Robert T. Francoeur,Martha Cornog,Timothy Perper,1999 Love sex and marriage are changing faster than ever before in human history The current tidal wave of social changes will continue into the next century and we will have to adapt our sexual values and relationships to these accelerating changes These 22 honest authentic stories tell of the unconventional paths pioneering church leaders and spiritually aware women and men have taken in their quest to link their sexuality with their spiritual needs Some might see in these unorthodox explorations only tales of promiscuous couplings But these are not stories of wild thrill seekers These are tales told from the core of their being about their deeply felt need for genuine responsible love and intimacy within a spiritual context Their journeys do not promise paradise or instant happiness as popular magazines do with recipes for lifelong marital bliss and fiery passion These sojourners have much to teach us even when we decide that this or that path is not for us Their individual paths are not nearly as important as the simple message of God and Eros being inseparable that underlies journey God and Eros can come together in many different relationships

And they must come together if we want to nourish and fulfill the divine spark at the core of our being These women and men challenge our assumptions and our willingness to adapt to our radically changing world
