How Should I Pray? Terry Ferguson,2017-03-20 The secret to powerful prayer is found in the fifteenth chapter of the gospel of John when Jesus says If you abide in Me and My words abide in you you will ask what you desire and it shall be done for you The secret is in the abiding As we spend time with our Maker in prayer and in His Word our minds are transformed and our desires change As we grow in Christ we begin to act differently and ask differently Mother Teresa said I used to believe that prayer changes things but now I know that prayer changes us and we change things Powerful prayer changes us Powerful prayer moves us to action But powerful prayer must also move God to do what only He can do to move in the hearts of people to intervene in worldly events and to do the impossible The catch is He already wants to move in people s hearts intervene in worldly events and do the impossible but he is waiting for us to pray and ask He has given us the desire to ask and is waiting on our prayer Powerful prayer moves us and moves God This collection contains what the Bible says about prayer one principle or verse at a time May they help you to pray move you to action and move God in a powerful way
