distinguished Catholic theologian combines a comprehensive metaphysics with a sensitivity to contemporary existentialist thought Father Murray traces the problem of God from its origins in the Old Testament through its development in the Christian Fathers and the definitive statement by Aquinas to its denial by modern materialism Students and nonspecialist intellectuals may both benefit by the book which illuminates the problem of development of doctrine that is now even more than in the days of Newman a fundamental issue between Roman Catholic and Protestant theologians and nonspecialist intellectuals alike will find the subject of vital interest As a challenge to the ecumenical dialogue the question is raised whether in the course of its development through different phases the problem of God has come back to its original position Father Murray is Ordinary professor of theology at Woodstock College Woodstock Maryland St Thomas More Lectures 1 A gem of a book lucid illuminating brilliantly written A fine contribution to the current Catholic theological renaissance Paul Weiss **God, I've Got a Problem** Ben Ferguson,2021-01-25 **The Problem of God** Edgare S. God and Intelligence in Modern Philosophy Fulton John Sheen,1925 **Life's Problems - God's Solutions** J. Dwight Pentecost, Dr Pentecost draws from his years of counseling experience to find answers in the Word of God to issues such as guilt doubt depression and resentment God the Problem Gordon D. Kaufman,1972 The most discussed and most significant issue on the religious scene today is whether it is possible or even desirable to believe in God Mr Kaufman s valuable study does not offer a doctrine of God but instead explores why God is a problem for many moderns the dimensions of that problem and the inner logic of the notion of God as it has developed in Western culture His object is to determine the function or significance of talk about God how the concept of God is generated in human experience the special problems in turn generated by this concept for example the intelligibility of the idea of transcendence the problem of theodicy and how they are met and under what circumstances the idea of God is credible or important or even indispensable He does not try to prove God s existence or nonexistence but elucidates what the concept of God means and the important human needs it fulfills Four of the eleven essays have been previously published at least in part seven are completely new **My Problem God's Opportunity** Tim Johnson,2009-06 **God's Problem** Bart D. Ehrman,2008-02-19 A top Bible scholar and New York Times bestselling author of *Misquoting Jesus* challenges the varied and contradictory biblical explanations for why an all powerful God allows suffering *The Problem of God* Peter A. Angeles,Peter A. Schoedinger,1986 The material in this book is philosophically as opposed to theologically or religiously oriented stressing the problem of God as a logical and philosophical problem The perspective is critically analytic in the Naturalistic Humanistic tradition The basic approach is an issues or problems approach but this is set in a historical context with quotations from Greek philosophy the Church Fathers the Medieval period and from modern philosophers The aim is to enable students to see what is being said and has been said about God and thereby fits this into a better framework in the light of present knowledge and society It is hoped that students will develop an awareness and appreciation of the philosophical problems in the concept of God that they will

acquire the ability to engage in intelligent evaluation and exchange of ideas and that they will display these qualities in their everyday thought This volume is by no means exhaustive of all the themes in the Philosophy of Religion The most fundamental ones about God s existence are covered thoroughly The book is a starting point for more intensive work in the subject It lays down the basic groundwork for an easy transition to other topics and to more sophisticated thought patterns The writing has been kept as concise and elementary as possible with short sections on a variety of topics *The Christian View of God and the World as Centring in the Incarnation* James Orr,1907 The Chautauquan ,1881 The Modern Review Ramananda Chatterjee,1916 Includes section Reviews and notices of books **The Jewish Forum** ,1928 **The Pacific** ,1909 **The Western Christian Advocate** ,1906
