Ticket To Freedom:

Two Tickets to Freedom Florence Bernstein Freedman,1993 Traces the search for freedom by a black man and wife who traveled to Boston and eventually to England after their escape from slavery in Georgia *Ticket to Freedom* Herbert J. Spiller,1988-01-01 *Ticket to Freedom: The Freedom Riders* Ruth Spencer Johnson,2018-12-15 The Supreme Court outlawed segregation in 1954 but it took years of courageous protests to fully integrate the country especially in the South In 1961 an interracial group of activists protested southern states continued segregation by riding together on a bus through the South These activists were the Freedom Riders and this play introduces modern readers to their brave peaceful protest Historical photographs help readers understand this period of history Stage directions costume and prop notes and character descriptions help readers perform the play with ease Readers will appreciate this important moment in history as they bring it to life on stage **Cuba and the Fight for Freedom** James Hyde Clark,1896 **Land and Freedom** Joseph Dana Miller,1901 *Land and Freedom* ,1930 *Freedom* ,1911 *Berwick-upon-Tweed* John Scott (of Berwick-upon-Tweed.),1888 **House documents** ,1884 **Self-Ownership, Freedom, and Equality** G. A. Cohen,1995-10-26 In this book G A Cohen examines the libertarian principle of self ownership which says that each person belongs to himself and therefore owes no service or product to anyone else This principle is used to defend capitalist inequality which is said to reflect each person s freedom to do as he wishes with himself The author argues that self ownership cannot deliver the freedom it promises to secure thereby undermining the idea that lovers of freedom should embrace capitalism and the inequality that comes with it He goes on to show that the standard Marxist condemnation of exploitation implies an endorsement of self ownership since in the Marxist conception the employer steals from the worker what should belong to her because she produced it Thereby a deeply inegalitarian notion has penetrated what is in aspiration an egalitarian theory Purging that notion from socialist thought he argues enables construction of a more consistent egalitarianism *Presidential Election of 1876* ,1877 *THIS FREEDOM* A.S.M. HUTCHINSON,1922 **Ticket to Freedom?** Hugh Lieberthal,2007 *This Freedom* Arthur Stuart-Menteth Hutchinson,1922 **The New Freedom** Woodrow Wilson,1921 **Safe and Unsafe Democracy** Henry Ware Jones,1918 *Medical Freedom* ,1914 *The Gospel of Freedom* Robert Herrick,1898 **Religious Freedom and Indian Rights** Carolyn Nestor Long,2000 The Supreme Court s controversial decision in *Oregon v Smith* sharply departed from previous expansive readings of the First Amendment s religious freedom clause and ignited a firestorm of protest from legal scholars religious groups legislators and Native Americans A major event in Native American history the case attracted widespread support for the Indian cause from a diverse array of religious groups eager to protect their own religious freedom and led to an intense tug of war between the Court and Congress Carolyn Long provides the first book length analysis of *Smith* and shows why it continues to resonate so deeply in the American psyche Back cover *Fetters on Freedom* Cecil Shirley,1920
