

**TOMORROW
IS TOO LATE**

Too Late For Tomorrow

Marco Cascella

Too Late For Tomorrow:

The Tidings Nick Mezins, 2005 How was the universe created and why What is the role of man on Earth and that of intelligent beings on other planets in it What is life like on some other planets Why is man here what is expected of him These are some of the questions that this book answers The translator considers the material in this book as religion and philosophy of life for people who are searching for the full truth and are willing to think for themselves and to question commonly accepted beliefs It tells how man should live so that it would be good for everyone and so that Christs statement about Paradise on Earth would indeed come true The part dealing with religion can be divided into two broad categories The first one explains clarifies and in a few cases supplements the concepts which the Prophets of the past such as Buddha Christ Indra Mohammed Moses Zoroaster and others proclaimed The second part tells what the Prophets of the past could not tell back then because the humanity of that time would not have understood them Now that humanitys science is much further advanced The Almighty has decided to reveal the complete truth about the universe Here the latest scientific knowledge is brought in and hints are given beyond the current knowledge of science This book tells about and explains The Almightys religion of the universe This in turn entails the reason for the creation of the universe how the universe is being created and governed and yes the very significant role which man on Earth is expected to play in this process Examples are given from intelligent life on other planets and much is said about how man should live and what he should not do There are stories that help to illustrate the points The Almightys religion differs dramatically from all other religions currently practiced on Earth It recognizes and acknowledges all other religions it does not require an individual to join it It does not threaten or condemn the nonbelievers it permits it insists on each individual choosing freely for himself or herself It merely provides some truly thought provoking material to ponder

Helps to Happiness

Franklin Adelbert Stiles, 1912

Revelations

Nick Mezins, 2015-07-28 How was the universe created and why What is the role of man on Earth and that of intelligent beings on other planets in it Why is man here what is expected of him These are some of the questions that this book answers The translator considers the material in this book as religion and philosophy of life for scientists D for scientists and for other people who are willing to think for themselves and to question commonly accepted beliefs It tells how man should live so that it would be good for everyone so that Christ s statement about Paradise on Earth would indeed come true The part dealing with religion can be divided into two broad categories The first one explains clarifies and in a few cases supplements the concepts which the Prophets of the past such as Buddha Christ Indra Mohammed Moses Zoroaster and others proclaimed The second part tells what the Prophets of the past could not tell back then because the humanity of that time would not have understood them Now that humanity s science is much further advanced The Almighty has decided to reveal the complete truth about the universe Here the latest scientific knowledge is brought in and hints are given beyond the current knowledge of science This book tells about and explains The Almighty s religion of the universe This in turn entails the reason for the

creation of the universe how the universe is being created and governed and yes the very significant role which man on Earth is expected to play in this process The Almighty's religion differs dramatically from all other religions currently practiced on Earth It recognizes and acknowledges all other religions it does not require an individual to join it It does not threaten or condemn the nonbelievers it permits it insists on each individual choosing freely for himself or herself It merely provides some truly thought provoking material to ponder [Catalog of Copyright Entries](#) Library of Congress.
