Your God is Too Safe Mark Buchanan,2009-02-19 Here s a thoughtful probing exploration of why Christians get stuck in the place of complacency dryness and tedium and how to move on to new levels of spiritual passion Buchanan shows how the majority of Christians begin their spiritual journey with excitement and enthusiasm only to get bogged down in a borderland an in between space beyond the old life but short of the abundant adventurous existence promised by Jesus Citing Jonah he examines the problem of borderland living where doubt disappointment guilt and wonderlessness keep people in a quagmire of mediocrity then offers solutions effective ways to get unstuck and move into a bold unpredictable exhilarating walk with Christ Inspired writing

Your Church Is Too Safe Mark Buchanan,2012-03-06 These men who have turned the world upside down have come here also That was the startled cry circa 50 AD from a hastily assembled mob in Thessalonica These men who have turned the world upside their description of Paul and Silas Holy vandals on the loose anointed marauders running amok men out ransacking Roman cities with the gospel You d think they were heralding the arrival of Barbarian hordes fierce Berserkers descending on poorly fortified villages not two hungry men with no more than a fire in their bellies and a wildness in their eyes These were just two ordinary men But as Paul says to the Corinthians he was a man who preached with a demonstration of the Spirit s power a man whose weapons were not of the world but had divine power to demolish strongholds Two simple ordinary men walking in the power of God A whole town in uproar because of them It s been a while since we ve seen the likes of this Your Church Is Too Safe is an ebook based on a simple idea that God meant his church to be both good news and bad news an aroma and a stench a disruptive force to whoever or whatever opposes the Kingdom of God and a healing and liberating power to those who seek it That the church has not always lived this mandate is well documented That the church needs to recover this mandate is much touted Your Church Is Too Safe is a plea a celebration and a manifesto It s an attempt to call the church to be the church It is a tribute to the many churches that seek to be this And it is a roadmap to become this Above all Your Church Is Too Safe is a biblical reflection and exhortation on why we should be this Its main narrative is rooted in the story of how the early church for all her failings and heresies and

My Mamie Rose Owen Kildare,1903 Many men have told the stories of their lives I shall tell you mine Not because I as they have done great and important things but because of the miracle which transformed me If lives may be measured by progress mine may have some interest to you When a man at thirty cannot read or write the simplest sentence and then eight years later is able to earn his living by his pen his story may be worth the telling Before beginning however the recital of how I found my ambition awakened let me make my position unmistakably definite I am not a self made man having only contributed a mite in the making A self made man can turn around to the road traveled by him and can point with pride to the monuments of his achievements I cannot do that I have no record of great deeds accomplished I am a man reborn and remade from an unfortunate moral condition into a life in which every atom has but the one message Strive struggle and believe and I would be the sneakiest hypocrite were I to deny that I feel within me a satisfaction at being able to respond to the call with all the possible energy of soul and body
