15 Year old Mark continues to hike alone in the Magister Woods Ranger area, suddenly, he sees a flash of light over a canyon wall. Curious, Mark climbed atop a rock to the edge of the cliff. It was a bright orange and blue light, dancing with colors he had never seen before. Intrigued, he fell the hole of a snake, and fell off the rock, into a bright light.

When he wakes Mark realized that he was not so long away from the state city, and for the first time looked at his surroundings. There is a forest composed of... red green and blue? Suddenly a bear roared attempted to attack him. Mark jumped up and grabbed the nearest branch. The lowest branch.

With the help of his new companion, Wills, Mark began to collect food and fashioned a shelter from sticks, sticks, and leaves.

One day Mark found something strange in the woods, it was a tree. He was determined to find out the arrow belonged to. On the next morning trip, he encountered the glowing thing again. The glowing thing was chasing up something in a tree. Mark went to investigate. The creature crashed down to top of tree. Mark pulled the arrow out and shot the creature.

One evening, Mark went up to an evening night. There, sitting to the wall to see camping men, was a group of people of about 1000 people appeared to people. They, however, had a different look and color of people. He learned that they were TransAlls. He decided to offer the others left, to try to talk to her. This is why frightened by them, and ran away, to what, needed to be a protective road.
