Transformative Curriculum Leadership:

Transformative Curriculum Leadership James George Henderson, Rosemary Gornik, 2007 Grounded in extensive professional experiences this text advances a type of curriculum problem solving leadership consistent with the ideals of democratic society The new organization of this edition makes the ideas within this text accessible practical and realistic and offers practitioners detailed guidance on how to cultivate systemic problem solving and sophisticated curriculum decision making in their own school environments BOOK JACKET

Creating a Culture of Support for Teacher Leaders

Rosemary Gornik, Wendy L. Samford, 2018-02-09 Within the pages of this book you will meet six K 12 practicing public school administrators and two university instructors who give concise study and practice guidance on two aims 1 to build the awareness and capabilities to become a lead professional for democratic ways of living and 2 to develop the school culture needed to support this teacher leadership Teacher leadership is not in addition to the many initiatives administrators face each day Rather you will read stories about teacher leadership incorporated into the initiatives that already exist By distributing leadership administrators organically utilize the gifts and talents that individual teachers already possess defying prescribed roles and specific job descriptions A key feature in this text is its problem solving orientation and the interplay among teaching learning leading research that raises critical questions for professionals ready to understand the nuances of educational growth in societies with democratic ideals In spite of the political demands for efficiency and accountability six administrators worked with teacher leaders in different contexts to develop and exercise the wisdom which honors the democratic ideals upon which our society was built

International Handbook of Educational Leadership and Social

(In)Justice Ira Bogotch, Carolyn M. Shields, 2013-11-11 The International Handbook on Educational Leadership and Social In Justice creates a first of its kind international forum on conceptualizing the meanings of social justice and leadership research approaches in studying social justice and combating social injustices school university and teacher leadership for social justice advocacy and advocates for social justice socio cultural representations of social injustices glocal policies and leadership development as interventions The Handbook is as much forward looking as it is a retrospective review of educational research literatures on social justice from a variety of educational subfields including educational leadership higher education academic networks special education health education teacher education professional development policy analyses and multicultural education The Handbook celebrates the promises of social justice while providing the educational leadership research community with concrete contextualized illustrations on how to address inequities and combat social political and economic injustices through the processes of education in societies and educational institutions around the world

Out of the Dark Wendy Leigh Samford, 2016-07-12 Out of the Dark is a call for teacher leaders to take a stand against the current neoliberal take over of our educational system today This book investigates where this political power hold began theorizes why is it so hard for us to change what is happening and then explores theory into practice for

supporting the development of a democratic curriculum Out of the Dark highlights example schools in various states that are fighting the monopoly of standardization by implementing their own version of visionary democratic education This book is purposefully heavy on references as to encourage teachers to become curriculum leaders through research and complicated conversation that they have with themselves and with each other It is time to stand together against the over utilization and magnified importance of standardized testing in our educational system in the United States The time is now to envision a democratic education based on an eclectic compilation of curriculum theory and fight for the significant educational contribution of our own professional wisdom prompting democratic empowerment for our students **Understanding**

Leadership and Organizational Psychology in Higher Education Institutions Ahsan Akbar, Petra Poulouva, Hana Mohelska, Minhas Akbar, 2023-06-05 Handbook of Reflection and Reflective Inquiry Nona Lyons, 2010-04-07 Philosophers have warned of the perils of a life spent without reflection but what constitutes reflective inquiry and why it s necessary in our lives can be an elusive concept Synthesizing ideas from minds as diverse as John Dewey and Paulo Freire the Handbook of Reflection and Reflective Inquiry presents reflective thought in its most vital aspects not as a fanciful or nostalgic exercise but as a powerful means of seeing familiar events anew encouraging critical thinking and crucial insight teaching and learning In its opening pages two seasoned educators Maxine Greene and Lee Shulman discuss reflective inquiry as a form of active attention Thoreau s wide awakesness an act of consciousness and a process by which people can understand themselves their work particularly in the form of life projects and others Building on this foundation the Handbook analyzes through the work of 40 internationally oriented authors Definitional issues concerning reflection what it is and is not Worldwide social and moral conditions contributing to the growing interest in reflective inquiry in professional education Reflection as promoted across professional educational domains including K 12 education teacher education occupational therapy and the law Methods of facilitating and scaffolding reflective engagement Current pedagogical and research practices in reflection Approaches to assessing reflective inquiry Educators across the professions as well as adult educators counselors and psychologists and curriculum developers concerned with adult learning will find the Handbook of Reflection and Reflective Inquiry an invaluable teaching tool for challenging times Paradigm Debates in Curriculum and Supervision

Jeffrey Glanz, Linda S. Behar-Horenstein, 2000-01-30 Annotation Explores how conceptions of curriculum and supervision exert a substantial impact upon school practice **Developing Teachers and Developing Schools in Changing Contexts** Zijian Li, Ling-po Shiu, 2008 More than ever schools are regarded as a learning community in which its leaders and therefore the school s primary agents of change are expected to stay abreast of the latest developments in education and instruction This book provides important insights for improving professional development activities school university partnerships and networks educational management as well as teaching and learning in schools and colleges It builds on research conducted in the 1990s during which the pursuit of school improvement and skill development first converged
