Walking in the Reign Edwin Wade,2004-03 God is Sovereign and rules over all things Therefore all men are subject to Him and will eventually answer to Him However not all men submit to His rule and authority in this life But the man who is fully submitted to the reign of God in all areas of his life reigns with Him now and in eternity Christians encounter various problems in this life WALKING IN THE REIGN addresses some of these problems from a theological and practical perspective When an understanding of the Kingdom is reached many of these problems can be overcome The individual is able to perceive the power of God in his everyday life A person who walks in the reign of God walks in harmony with His nature and established ways We are not promised life without trials and discouragements but He has promised us that He will be with us as we work our way through them This book 1 will give understanding and insight into the Kingdom of God 2 will help the Christian evaluate his relationship with the Lord 3 will show the unbeliever the way of salvation 4 will be practical for personal reading and study of the Word 5 will serve as an elective study for groups or classes in the church May God reign supremely in your heart Edwin L Wade
