Workplace Learning A Critical Introduction:

Workplace Learning John Bratton,2008 Workplace Learning John Bratton,Jean C. Helms Mills,Peter Sawchuk,2003-12-01 Published Under the Garamond Imprint This innovative book is concerned with the power relations complexities and contradictions in the paid workplace Workplace learning is not value free or politically neutral and cannot be studied independently of the political economy of work Workplace Learning is part of a growing body of work that offers an alternative to mainstream approaches to workplace learning recognizing that power relations politics and conflicts of interest all shape learning The authors emphasize the lived experiences of working people avoiding prescriptive accounts and uncritical Human Resource Development views Comments Here is a map through contested and largely uncharted terrain from the foreword by D Arcy Martin *Workplace Learning* ,2013 Workplace Learning ,2010 Workplace Learning 1 ,2013 This custom book is compiled from Communication for business and the professions strategies and skills 5th edn by Dwyer Management a focus on leaders by McKee Kemp and Spence Communicating for success by Kossen Kiernan and Lawrence Management theory and practice 5th edn by Cole Professional business skills 2nd edn by Perlitz Your business degree by McCulloch and Reid Business communication essentials 6th edn by Bovee and Thill Guide to Managerial communication effective business writing and speaking 10th edn by Munter and Hamilton **Organizational Behaviour in a Global Context** Albert J. Mills,Jean C. Helm Mills,John Bratton,Carolyn Forshaw,2006-01-01 At last there is a lucid well written OB book which covers key issues required in OB teaching but which has a mind of its own Students and faculty will recognize this is more than standard fare Bill Cooke Manchester Business School **The SAGE Handbook of Workplace Learning** Margaret Malloch,Len Cairns,Karen Evans,Bridget N O'Connor,2010-09-21 This Handbook provides a state of the art overview of the field of workplace learning from a global perspective The authors are all well placed theoreticians researchers and practitioners in this burgeoning field which cuts across higher education vocational education and training post compulsory secondary schooling and lifelong education The volume provides a broad based yet incisive analysis of the range of theory research and practical developments in workplace learning The editors draw together the three essential areas of Theory Research and Practice and Issues and Futures in the field of Workplace Learning In addition final chapters include recommendations for further development Key researchers and writers in the field have approached workplaces as the base of learning about work that is work based learning There has also been emerging interest in variations of this idea such as learning about through and at work Many of the theoretical discussions have centred on adult learning and some on learners managing their own learning with emphasis on aspects such as communities of practice and self directed learning In Europe and Australia early work in the field was often linked to the Vocational Education and Training VET traditions with concerns around skills competencies and on the job learning The idea that learning and workplaces had more to do with real lifelong and lifewide aspects than traditional training regimens has emerged in the last decade Since the mid 1990s the field

has grown world wide as an area of theory research and practical work that has not only expanded the interest but has also legitimized the area as a field of study reflection and progress The SAGE Handbook of Workplace Learning draws together a wide range of views theoretical dispositions and assertions and provides a leading edge presentation by key writers and researchers with insight into the field and its current state It is a resource for researchers and academics interested in the scope and breadth of Workplace Learning

Working and Learning in Times of Uncertainty Sandra Bohlinger, Ulrika Haake, Christian Helms Jørgensen, Hanna Toiviainen, Andreas Wallo Wallo, 2015-11-03 This book analyses the challenges of globalisation and uncertainty impacting on working and learning at individual organisational and societal levels Each of the contributions addresses two overall questions How is working and learning affected by uncertainty and globalisation And in what ways do individuals organisations political actors and education systems respond to these challenges Part 1 focuses on the micro level of working and learning for understanding the learning processes from an individual point of view by reflecting on learners needs and situations at work and in school work transitions Part 2 addresses the meso level by discussing sector specific and organisational approaches to working and learning in times of uncertainty The chapters represent a broad range of branches including public services police work the automotive sector and the health sector elderly care Finally Part 3 addresses the macro level of working and learning by analysing how to govern structure and organise vocational professional and adult education at the boundaries of work education and policy making

Learning for Economic Self-Sufficiency Mary V. Alfred, 2010-07-28 This book addresses the challenges low literate adults face in achieving economic self sufficiency It explores literacy issues in various contexts and offers strategies for educators to develop programs that enhance literacy and economic independence Each chapter provides guidance for creating supportive learning environments

Work and Organizational Behaviour John Bratton, 2007-04-15 Work and Organizational Behaviour is a core introductory text for undergraduate and MBA students which provides both a psychologically and sociologically based view of behaviour in work organisation from a critical perspective

Workplace Learning Marianne van Woerkom, Rob Poell, 2010-06-10 This book provides a comprehensive up to date and international overview of human resource development research in the area of workplace learning with contributions from academics such as Stephen Billet Tara Fenwick and Victoria Marsick

The SAGE Handbook of Workplace Learning Margaret Malloch, 2010-10-04 This handbook provides an overview of workplace learning from a global perspective

Hidden Knowledge D. W. Livingstone, Peter H. Sawchuk, 2004-01-05 Explodes the dual myths that working class adults have inferior learning capacities and that talented youths naturally leave blue collar careers and documents the genuine learning practices of working class people using accounts of prior school experiences current adult education course participation and a wide array of learning resources in paid workplaces households and community settings The authors criticize dominant theories of learning and work and develop an alternative explanation of working class adult learning

Improving Workplace Learning Geraldine

Castleton, Rodney Gerber, Hitendra Pillay, 2006 Closely linked to the concepts of growth and globalisation is the increasing recognition being given to the importance of the workplace as a site of learning The value of the book rests in the fact that this framework does not have its foundations in just one academic discipline but rather provides a range of perspectives drawn from psychology social psychology sociology and critical theory The purpose is to move away from a unidimensional understanding of workplaces and workplace learning to provide a different standpoint from which to better appreciate the diversity and complexity of learning in the workplace This significant book is divided into four inter related sections with each section contributing to the evidence base referred to earlier by offering informed considerations of the following questions What kinds of contextual issues impact on workplace learning and what are the implications of these for improving workplace learning What kinds of knowledge are required for contemporary work and what implications are derived from these for improving workplace learning What models and case studies exist that reflect practices for improving workplace learning and What consideration of directions for future action to improve workplace learning can be made

Workplace Learning in Context Helen Rainbird, Alison Fuller, Anne Munro, 2004 Combines a critical analysis of the organizational and employment context of workplace learning with an understanding of theories of learning It brings new ideas and an understanding of the social context of the workplace

Canadian Books in Print, 1975 *American Book Publishing Record*, 2007

Current Issues and New Agendas in Workplace Learning National Centre for Vocational Education Research (Australia), 1998 This book focusses on what we know and how we think about workplace learning It is about understanding the complex and multifaceted field of learning at work and in settings related to employment It attempts to bring together what is currently known about research on workplace learning in ways which are helpful to researchers practitioners and policy makers In particular it focuses on the needed research agenda in this area The book seeks to capture the rich and varied work which has been undertaken on the increasingly important phenomenon of workplace learning and to describe it in ways which make it accessible It aims to generate discussion about directions for development of workplace learning and research associated with it
