discipline created by Thomas Troward There is little known about her early life except that one of her parents was Scottish 1 After her husband died she traveled extensively She studied Christian Science and met its founder Mary Baker Eddy but ultimately left that faith She met Abdul Baha whose father had founded Bahaiism and Abdul told her that she would travel the world over seeking the truth and when she had found it would speak it out She later wrote in her book *Your Invisible Power* that she found a book of Thomas Troward s lectures Inspired by this she wanted to study with Troward but lacked the money to travel to Cornwall England where he lived as she was then living in New York 2 So every night and morning she visualized counting out twenty 1 000 bills buying her ticket to London travelling on the ship and being accepted as Troward s pupil She also constantly affirmed to herself My mind is a center of Divine operations Then to quote her in *Your Invisible Power* While these reflections were going on in my mind there seemed to come up from within me the thought I am all the substance there is Then from another channel in my brain the answer seemed to come Of course that s it everything must have its beginning in mind The I the Idea must be the only one and primary substance there is and this means money as well as everything else My mind accepted this idea and immediately all the tension of mind and body was relaxed In about six weeks she received the money From 1912 until 1914 she studied with Thomas Troward Behrend was the only personal student he had throughout his life After her studies with Troward she founded a New Thought school called The School of the Builders in approximately 1915 in New York City running it herself until 1925 She then founded another New Thought school in Los Angeles after which she traveled throughout North America lecturing on mental science and New Thought for 35 years as well as giving radio broadcasts She is quoted as an expert in the best selling self help book *The Secret* by Rhonda Byrne *Your Invisible Power* Genevieve Behrend,2014-03 This Is A New Release Of The Original 1921 Edition [Your Invisible Power](#) Genevieve Behrend,2014-03-01 We all possess tremendous powers Most of them go unrecognized and unrealized for many years or even a lifetime Manifesting our desires through visualization is one of the greatest of these powers It brings other possibilities to our awareness When we pause for a moment and think we realize that everything in life begins as a thought Look around you and you will see that nothing ever happened without first being conceived in a thinking mind Every material thing in this world is projected thoughts goals achieved visions manifested and dreams realized This book was written to help you unlock the way to the attainment of your dreams When your understanding grasps the power to visualize your heart s desire and hold it with your will it attracts to you all things required to the fulfillment of that picture by the harmonious vibrations of the law of attraction Be enthusiastic about your dreams and have faith Keep your mental picture close to your mind Trust in the unfailing laws of this universe Cultivate patience knowing that it takes years for the roots to produce the tree that will produce the fruits **Wisdom of Genevieve Behrend: Your Invisible Power, Attaining Your Desires** Genevieve Behrend,2024-05-22 Collected here in one edition are both of Genevieve Behrend s wonderful books In *Your Invisible Power* and *How to Use It* Genevieve Behrend will guide you through the use of
