## Sitcom School:

**Sitcom School** Tony Abbott, 1999 TV cameras follow Spencer Babbitt and his wacky friends around their Hollywood school creating havoc at every turn This story captures the excitement and humor of children s sitcoms by fusing actual scripting techniques with traditional narrative style [Great American Sitcoms of the 1950s](#) Jackson Upperco, 2025-02-07 With a unique definition of the classic situation comedy television genre as developed out of its history on radio this critical study highlights the best American sitcoms from the 1950s TV s first decade as a household medium Everything from I Love Lucy to Dobie Gillis is covered with a rigorous evaluation that seeks to find this formative era s finest episodic samples that most prove the sitcom s inherent artistry [The British Sitcom Spinoff Film](#) Stephen Glynn, 2023-12-07 This book constitutes the first full volume dedicated to an academic analysis of theatrically released spinoff films derived from British radio and television sitcoms Regularly maligned as the nadir of British film production and marginalised as a last resort for the financially bereft industry during the 1970s this study demonstrates that the sitcom spinoff film has instead been a persistent and important presence in British cinema from the 1940s to the present day and includes occasional works with distinct artistic merit Alongside an investigation of the economic imperative underpinning these productions i e the exploitation of proven product with a ready made audience it is argued that with a longevity stretching from Arthur Askey and his wartime Band Waggon 1940 to the crew of Kurupt FM and their recent People Just Do Nothing Big in Japan 2021 the British sitcom spinoff can be interpreted as following a full generic life cycle Starting with the formative stage where works from Hi Gang 1941 to I Only Arsked 1958 establish the genre s characteristics the spinoff genre moves to its classic stage where secure for form and content it enjoys considerable popular success with films like Till Death Us Do Part 1969 On the Buses 1971 The Likely Lads 1976 and Rising Damp 1980 the genre s revival since the late 1990s reveals a more parodic final stage with films like The League of Gentlemen s Apocalypse 2005 adopting a consciously self reflective mode It is also posited that the sitcom spinoff film is a viable source for social history with the often stereotypical re presentations of characters and events an often blatant ideological metonym for the concerns of wider British society notably in issues of class race gender and sexuality [Pop Culture Places](#) Gladys L. Knight, 2014-08-11 This three volume reference set explores the history relevance and significance of pop culture locations in the United States places that have captured the imagination of the American people and reflect the diversity of the nation Pop Culture Places An Encyclopedia of Places in American Popular Culture serves as a resource for high school and college students as well as adult readers that contains more than 350 entries on a broad assortment of popular places in America Covering places from Ellis Island to Fisherman s Wharf the entries reflect the tremendous variety of sites historical and modern emphasizing the immense diversity and historical development of our nation Readers will gain an appreciation of the historical social and cultural impact of each location and better understand how America has come to be a nation and evolved culturally through the lens of popular places
