## **Sparrows Inn:**

*Harpers Ferry* James A. Beckman, 2006 Harpers Ferry located at the confluence of the beautiful Shenandoah and Potomac Rivers offers visitors a breathtaking view described by Thomas Jefferson as a scene worth a voyage across the Atlantic From George Washington's 1796 establishment of the federal armory through John Brown's 1859 raid to foment slave rebellion and Civil War battles and to one of the first successful colleges for African Americans Harpers Ferry has played a significant role in America's history Hundreds of vintage postcards many of which are very scarce today depict this history the various scenic views and buildings in town and the daily lives of townspeople over the last century **Bulletin**

[London Survivals](#) Peter Hampson Ditchfield,1914 **Discovering World Religions at 24 Frames Per Second** Julien R. Fielding,2008-09-26 Traditionally university students have gained access to world religions by reading primary texts Discovering World Religions at 24 Frames Per Second takes students beyond the written page offering an exploration of the same religious traditions through the study of feature films The many definitions of religion are examined along with its various components including doctrine myth ethics ritual and symbol Specific religious traditions including Hinduism Sikhism Zoroastrianism Buddhism Confucianism Daoism popular religion and Shinto are examined Biographical sketches of directors whose films tend to focus on a particular religious tradition are also included such as Zhang Yimou Hayao Miyazaki Deepa Mehta and Akira Kurosawa Discovering World Religions at 24 Frames Per Second is unique in the area of religion and film studies in that it isn t just a collection of essays Instead it provides the introductory student with the necessary background information on the various religions before looking at how their ideas can be understood not through texts but through the cinematic medium To keep the conversation fresh most of the films used in the book were made within the last decade Furthermore examples range from popular mainstream fare such as Star Wars and the Lord of the Rings trilogy to lesser known foreign films such as The Wooden Man s Bride and The Great Yokai War

Several films with a cult like following are also discussed including Fight Club Princess Mononoke Spirited Away and Jacob s Ladder This book is also unique in that instead of drawing upon the Judeo Christian tradition it draws from Eastern traditions
