Stern Men:

Stern Men Elizabeth Gilbert,2001 On two remote islands off the coast of Maine the local lobstermen have fought savagely for generations over the fishing rights to the ocean waters between them Young Ruth Thomas is born into this feud the daughter of one of the greediest lobstermen in Maine Eighteen years old as smart as a whip and irredeemably unromantic Ruth returns home from boarding school determined to throw her education overboard and join the stern men As the feud escalates she helps work the lobster boats brushes up on her profanity and eventually falls for Owney Wishnell a handsome young lobsterman Funny clever and wise Seattle Times STERN MEN captures a feisty American spirit through this unforgettable heroine who is destined for greatness despite herself [Harper's New Monthly Magazine](#) ,1861 [The Immortal Throne](#) Stella Gemmell,2016-12-06 No one is safe and no one is to be trusted as the bloody war that began in Stella Gemmell s The City continues The dreaded emperor is dead The successor to the throne is his nemesis Archange Many hope her reign will usher in a new era of freedom and stability Soon however word arises of a massive army gathering in the shadows of the north They are eager to lay waste to the City and annihilate anyone man woman or child within it Yet just as the swords clang in fields wet with the blood of warriors family feuds ancient rivalries and political battles rage on within the cold stone walls of the City A hero must rise up and restore the peace before anything left to fight for is consumed by the madness **Annual Report ...** New England Society in the City of New York,1852 **The Unspoken Alliance** Sasha Polakow-Suransky,2010-05-25 A revealing account of how Israel s booming arms industry and apartheid South Africa s international isolation led to a secretive military partnership between two seemingly unlikely allies Prior to the Six Day War Israel was a darling of the international left socialist idealists like David Ben Gurion and Golda Meir vocally opposed apartheid and built alliances with black leaders in newly independent African nations South Africa for its part was controlled by a regime of Afrikaner nationalists who had enthusiastically supported Hitler during World War II But after Israel s occupation of Palestinian territories in 1967 the country found itself estranged from former allies and threatened anew by old enemies As both states became international pariahs their covert military relationship blossomed they exchanged billions of dollars worth of extremely sensitive material including nuclear technology boosting Israel s sagging economy and strengthening the beleaguered apartheid regime By the time the right wing Likud Party came to power in 1977 Israel had all but abandoned the moralism of its founders in favor of close and lucrative ties with South Africa For nearly twenty years Israel denied these ties claiming that it opposed apartheid on moral and religious grounds even as it secretly supplied the arsenal of a white supremacist government Sasha Polakow Suransky reveals the previously classified details of countless arms deals conducted behind the backs of Israel s own diplomatic corps and in violation of a United Nations arms embargo Based on extensive archival research and exclusive interviews with former generals and high level government officials in both countries The Unspoken Alliance tells a troubling story of Cold War paranoia moral compromises and Israel s

estrangement from the left It is essential reading for anyone interested in Israel s history and its future **Palestine Investigated** Eldad Harouvi,2016-08-08 This book tells the story of the Criminal Investigation Department CID of the Palestine Police Force PPF in the historical context which impacted the CID s missions methods and composition At first the CID was engaged in providing technical assistance for criminal investigation Following the PPF s poor performance in the Arab Revolt in 1929 a commission of inquiry headed by Sir Herbert Dowbiggin recommended adding intelligence gathering and surveillance of political elements to police functions Teams were set up and a Special Branch established From 1932 the CID deployed a network of live sources among the Arabs and issued intelligence summaries evaluating Arab and Jewish political activity Post 1935 the security situation deteriorated Arab policemen and officials joined the Arab side thus drying up sources of information the British therefore asked for assistance from the Jewish population In 1937 Sir Charles Tegart recommended that the CID invest in obtaining raw intelligence by direct contacts in the field In 1938 Arthur Giles took command and targeted both the Revisionist and Yishuv movements Although the CID did not succeed in obtaining sufficient tactical information to prevent Yishuv actions Giles identified the mood of the Jewish leadership and public an important intelligence accomplishment regarding Britain s attitude towards the Palestine question But British impotence in the field was manifested by the failure to prevent the bombing of the King David Hotel in Jerusalem Towards the end of the Mandate as civil war broke out following the UN General Assembly resolution of November 1947 the CID was primarily engaged in documenting events and providing evaluations to London whose decision makers put high value on CID intelligence as they formulated political responses With Forewords by Professor Yoav Gelber Univeristy of Haifa and Professor John Ferris University of Calgary **New York Court of Appeals.
