## **Still Standing:**

**Still Standing** Paul Vollmin,2018-06-07 Growing up in a prairie farm family with a very close knit church community Paul Vollmin is raised to believe that a Christian should be different But somehow even though the Bible tells him that he has changed when he s accepted Jesus as his savior he doesn t feel changed And as Paul enters a rebellious stage he starts to indulge his own personal failures losing touch with his faith and living lie after lie One day as a young husband and father he just can t sustain it any longer and finds himself hospitalized for severe depression and considering suicide as a viable way out Still Standing is Paul s personal story of coming to terms with the past and present in light of a faith in Jesus Christ Be forewarned his journey is no idealized picture of what a Christian should look like but a discovery of how a real life warts and all can be transformed by a real God In frank and frequently very funny fashion Still Standing provides full disclosure in its chronicle of God reaching into the darkest corners of a man s being to bring light and healing to a life of faith gone wrong

**Still Standing** Lynette Edwards,2015-08-12 No one knows what tomorrow will bring All we know is that quitting is not an option It does not matter where you started from in life whether through rough beginnings or maybe you have consciously taken an unforgettable path in life All that matters today is that you continue to stand tall Stand through the pain Stand through the hurt Stand through the discomfort Stand through the trials and tribulations Stand through defeat Stand through the heartache Stand through the betrayal Stand through the brokenness Stand through the confusion And after you have done all you can continue to stand because the best is yet to come

**Meaning and Metaphysical Necessity** Tristan Grøtvedt Haze,2022-06-16 This book is about the idea that some true statements would have been true no matter how the world had turned out while others could have been false It develops and defends a version of the idea that we tell the difference between these two types of truths in part by reflecting on the meanings of words It has often been thought that modal issues issues about possibility and necessity are related to issues about meaning In this book the author defends the view that the analysis of meaning is not just a preliminary to answering modal questions in philosophy it is not merely that before we can find out whether something is possible we need to get clear on what we are talking about Rather clarity about meaning often brings with it answers to modal questions In service of this view the author analyzes the notion of necessity and develops ideas about linguistic meaning applying them to several puzzles and problems in philosophy of language Meaning and Metaphysical Necessity will be of interest to scholars and advanced students working in metaphysics philosophy of language and philosophical logic
