Still Time:

Still Time To Die Jack Belden, 2015-11-06 Vivid intensely human impressions of the war in China Malta Tunisia and Sicily by the author of *Retreat with Stilwell* Belden's first book *Retreat with Stilwell* Knopf was one of the most distinguished correspondent's books It did not have the sale it deserved he insists on saying things that should be said rather than things people want to read Even more true of this book which though two thirds of the text records war through battle the remaining third dominates sums up Belden's conclusions and grim determination to help his readers recognize the falsehood of war falsehood not only in its reportage but in its underlying causes rooted in the world soul sickness fascism which he feels is pregnant in America and must be fought now No analyzes the determining factors of the battlefield uncertainty insecurity need for political conviction of the importance of this war divorce of the combat army from civilians etc The balance deals specifically with Ksuchow Malta the Mareth Line Sicily Messina Salerno Pungent phrase and fire for crusading passion Kirkus Reviews *Learning To Think And Act Environmentally: While There Is Still Time* Lester W. Still Time to Care Greg Johnson, 2021-12-07 Charting the path forward for our churches and ministries in providing care not a cure for our non straight sisters and brothers who are living lives of costly obedience to Jesus At the start of the gay rights movement in 1969 evangelicalism's leading voices cast a vision for gay people who turn to Jesus It was C S Lewis Billy Graham Francis Schaeffer and John Stott who were among the most respected leaders within theologically orthodox Protestantism We see with them a positive pastoral approach toward gay people an approach that viewed homosexuality as a fallen condition experienced by some Christians who needed care more than cure With the birth and rise of the ex gay movement the focus shifted from care to cure As a result there are an estimated 700 000 people alive today who underwent conversion therapy in the United States alone Many of these patients were treated by faith based testimony driven parachurch ministries centered on the ex gay script Despite the best of intentions the movement ended with very troubling results Yet the ex gay movement died not because it had the wrong sex ethic It died because it was founded on a practice that diminished the beauty of the gospel Yet even after the closure of the ex gay umbrella organization Exodus International in 2013 the ex gay script continues to walk about as the undead among us pressuring people like me to say I used to be gay but I'm not gay anymore Now I'm just same sex attracted For orthodox Christians the way forward is to take a close look at our history It is time again to focus with our Neo Evangelical fathers on caring over attempting to cure With warmth and humor as well as original research *Still Time to Care* provides Guidance for the gay person who hears the gospel and finds themselves smitten by the life giving call of Jesus Guidance for the church to repent of its homophobia and instead offer gospel motivated love and compassion Amazing Stories ,1926 *Standard Daily Trade Service* ,1926 **Works** George Meredith, 1910 Olsen V.
