The Potato King:

The Outlook Lyman Abbott, Hamilton Wright Mabie, Ernest Hamlin Abbott, Francis Rufus Bellamy, 1904 [The Potato King](#) Christoph Niemann, 2015 Once upon a time there was a Prussian King Frederick also known as Fritz who saw potential in the lowly potato a newly introduced crop from South America and decided to plant it for his people However it quickly became clear that his subjects didn't like being told what to eat Determined to see the potato thrive Fritz cleverly used reverse psychology to pique his people's curiosity and make the crop popular and the potato has flourished ever since his people's curiosity and make the crop popular and the potato has flourished ever since Potato stamp illustrations throughout are simple and effective exhibiting Neimann's trademark wit and playfulness The book includes a short informational note on the historical background to the story Readers will be interested to discover how one of today's most common foods likely rose to popularity and may also be inspired by the king's creative problem solving *No Small Potatoes: Junius G. Groves and His Kingdom in Kansas* Tonya Bolden, 2018-10-16 Discover the incredible true story of how one of history's most successful potato farmers began life as a slave and worked until he was named the Potato King of the World Junius G Groves came from humble beginnings in the Bluegrass State Born in Kentucky into slavery freedom came when he was still a young man and he intended to make a name for himself Along with thousands of other African Americans who migrated from the South Junius walked west and stopped in Kansas Working for a pittance on a small potato farm was no reason to feel sorry for himself especially when he's made foreman But Junius did dream of owning his own farm so he did the next best thing He rented the land and worked hard As he built his empire he also built a family and he built them both on tons and tons and tons of potatoes He never quit working hard even as the naysayers doubted him and soon he was declared Potato King of the World and had five hundred acres and a castle to call his own From award winning author Tonya Bolden and talented illustrator Don Tate comes a tale of perseverance that reminds us no matter where you begin as long as you work hard your creation can never be called small potatoes [The Potato King](#) Joseph A.
