**The Earliest Commentary on the Prophecy of Habakkuk** Timothy H. Lim, 2020-05-07 This is the first major commentary in English on Peshar Habakkuk for forty years It elucidates the nature of 1QpHab as the earliest commentary on the prophecy of Habakkuk by a detailed study of the biblical quotation and sectarian interpretation This commentary provides a new edition of the scroll including new readings and detailed palaeographical philological exegetical and historical notes and discussion It shows that the pesherist imitates the allusive style of the oracles of Habakkuk and also draws on lexemes phrases and themes from other biblical texts and Jewish sources It shows that the pesherist identified the Kittim with the Romans who conquered Judaea in 63 BCE and suggests that the scroll refers to several righteous and wicked figures including the last Hasmonean high priests

**The Mysterious Plus** William Tarvin, The Mysterious Plus opens with a situation recently in the news the murder of an American embassy official in a North African country The aim of the novel however is broader than an individual act of violence Its murder becomes a symbol of the fanatic inflamed divisions between Muslim Middle East and Judeo Christian West which are fraying the ties that bond humanity The hero of The Mysterious Plus straddles both worlds To save his sister Omar Naaman nineteen betrayed comrades and country during Algeria's fight for independence from colonial rule At the war's end the defeated French grateful for his double dealing service whisked him to France bestowing a new identity Remy Montpellier Years later Remy is coerced by the French DGSE their intelligence service to return incognito to Algeria where as Omar he is still branded as a traitor in fact as the last of the Seven Devils the first six great collaborators having been tracked down and killed by Algerian agents Sent to investigate the gay bashing murder of an American embassy attach who DGSE suspected was trafficking classified documents Remy gradually moves from pursuer to pursued Will he fulfill the true purpose of his returning to Algiers or will his treasonous past overtake him How does the Mysterious Plus control the answers to these two questions and hence the resolution to the novel In his previous book The Saint of Sodomy GLB 1999 William Tarvin who lived in the Middle East for two decades satirized Muslim sexual hypocrisies Though the same barbed wit infuses The Mysterious Plus it is counterpoised by a darker strain that materialistic spiritual differences between West and Middle East threaten to sever the cords bonding humanity Addendum Since the novel incorporates ideas from around one thousand philosophical religious literary social psychological historical and political works Tarvin has provided some commentary and definitions in end of chapter footnotes
