Conover, Frederick William  
Arthur, Frederick C. Seibold**

## **Walking Man:**

Walking Man Narciso Zamora, 2007 Walking Man recounts Zamora's winding and treacherous path literally and figuratively toward finding his calling in missions. Characteristic of Zamora's more than 25 years of mission experiences is his determination to go anywhere he felt called to preach and teach walking day and night into the jungle or trekking from valley to alpine zone and back down the other side of the mountain just to reach an isolated village from publisher description.

**Hanoch Levin: Selected Plays Two** Hanoch Levin, 2020-03-02 Hanoch Levin is the modern world on the stage we badly need to hear what he has to say. David Lan Hanoch Levin was one of Israel's leading dramatists. Born in Tel Aviv in 1943, his work includes comedies, tragedies, and satirical cabarets, most of which he directed himself. He received numerous theatre awards both in Israel and abroad, and his plays have been staged around the world. Levin was awarded the Bialik Prize in 1994. Published in brand new English translations, these selected volumes of Hanoch Levin, one of Israel's leading dramatists, aim to bring one of the most important playwrights of the Middle East to English-speaking audiences. Plays Two contains the plays *Suitcase Packers* (1983), *The Lost Women of Troy* (1984), *The Labour of Life* (1989), *Walkers in the Dark* (1998), and *Requiem* (1999).

Rodin's Art the late Albert E. Elsen, Rosalyn Frankel Jamison, 2003-03-13 The late Albert Elsen was the first American scholar to study seriously the work of the French sculptor Auguste Rodin and the person most responsible for a revival of interest in the artist as a modern innovator after years during which the sculpture had been dismissed as so much Victorian bathos. After a fortuitous meeting with the financier, philanthropist, and art collector B. Gerald Cantor, Elsen helped Cantor to build up a major collection of Rodin's work. A large part of this collection, consisting of more than 200 pieces, was donated to the Stanford Museum by Mr. Cantor, who died recently. In size, it is surpassed only by the Musée Rodin in Paris and rivaled only by the collection in Philadelphia. In scope, the collection is unique in having been carefully selected to present a balanced view of Rodin's work throughout his life. Rodin's Art encompasses a lifetime's thoughts on Rodin's career, surveying the artist's accomplishments through the detailed discussion of each object in the collection. It will begin with essays on the formation of the collection, the reception of Rodin's work, and his casting techniques. The entries that follow are arranged topically and include extensive discussions of Rodin's major projects. *Chicano Frankenstein* Daniel A.

Olivas, 2024-03-05 A modern retelling of the Mary Wollstonecraft Shelley classic that addresses issues of belonging and assimilation. An unnamed paralegal brought back to life through a controversial process maneuvers through a near future world that both needs and resents him. As the United States president spouts anti-reanimation rhetoric and giant pharmaceutical companies rake in profits, the man falls in love with lawyer Faustina Godnez. His world expands as he meets her network of family and friends, setting him on a course to discover his first life history, which the reanimation process erased. With elements of science fiction, horror, political satire, and romance, *Chicano Frankenstein* confronts our nation's bigotries and the question of what it truly means to be human. **Design Entrepreneur** Steven Heller, Lita

Talarico,2011-04-01 Designers are used to working for clients but there is nothing better than when the client is oneself Graphic and product designers who are skilled with the tools and masters aesthetics are now in the forefront of this growing entrepreneur movement Whether personal or collective drive is the common denominator of all entrepreneurial pursuit of course then comes the brilliant idea and finally the fervent wherewithal to make and market the result The Design Entrepreneur is the first book to survey this new field and showcase the innovators who are creating everything from books to furniture clothes to magazines plates to surfboards and more Through case studies with designers like Dave Eggers Maira Kalman Charles Spencer Anderson Seymour Chwast Jet Mous Nicholas Callaway Jordi Dur and over thirty more from the United States and Europe this book explores the whys hows and wherefores of the conception and production processes The design entrepreneur must take the leap away from the safety of the traditional designer role into the precarious territory where the public decides what works and what doesn't This is the book that shows how that is accomplished
