Walking Out:

Walking out of Darkness Stephen Shafer,2011-03-29 Have you ever felt like you have no future Does everything you touch turn negative Do you feel lost alone and like no one has ever been where you are today If so then Walking Out of Darkness is for you Learn how to change your future You can decide that enough is enough and you can take control of your future You can change things can be different This book covers topics including how to create a foundation in your life that will never fail how to get right with the people in your life how to make amends how to gather support instead of malice and how to be the best you can be *Walking Out of Poverty Together* Carlos Garcia,2010-03-12 July 16 2007 There goes the church bell again I wonder who died this time I have to look even though I know I will get in trouble for getting up in class again It s not my fault the church bells sound so much like music Wow so many people in black Why do people wear black to a funeral Shouldn t they wear white if their friend is going to heaven Where is everyone going in a hurry I like that store they have the best candy I m going to buy that abandon building and I will make my own school someday But it will be a fun school where we can get dirty and have fun while learning Maybe I will be Mayor and the people will love how I changed this neighborhood The church bells stopped and she is looking at me that way again I better sit down before she calls out my name and then it s back to the principal s office Hey can you hear that dad It s the church bells from Saint Joseph Man they re loud Those are the eight o clock bells So it s barley eight I like these sunsets Look how the sun goes behind those trees That tree looks like a lion roaring at the sky Look at those trees They look like waves that are drowning the sun Mom gave me a radio What station do you like When you were in Vietnam were you scared Do you still have nightmares Well I am glad you made it back home You know that old white building in front of our church I want to buy it someday I use to look at it all the time thinking that I could do something good with it Yeah the sky does look pretty when it s gold and pink The clouds look like a castle floating on mountains Look at those birds Where do you think they re going The church bells stopped We should go inside before the mosquitoes come out Do you think these mosquitoes are getting bigger Hey stop you guys Do you hear that It sounds like music Yeah it s the church bell I heard they re hiring at that church for coaches for their summer program I think I am going to go apply Come with me Hello are you still taking applications for summer coaches That s too bad I really wanted to work here I heard of all the good things you do for the community I agree with what you are doing here We do need good positive role models in the neighborhood I am not going to school right now but I want to be a teacher someday Do you know that old building across from us I want to buy it It s going to be either a recreational center or an early learning center like Head Start Wow I can still hear those church bells Well thank you for your time And yes I do plan to attend college this fall I am going to be a teacher I will keep in touch In the name of the Father the Son and the Holy Spirit amen Dear Father thank you for all that you do the seen and unseen Thank you for my beautiful wife and our amazing daughter Thank you for bringing me here today to slow me down from this busy world and catch my breath This is the best

part of the church when it is just you and me alone talking just like this O there goes the twelve o'clock bells They sound so beautiful Father please give us strength when we are weak Help us to be understanding patient and compassionate to each other Help me be the best teacher that I can be Let me receive the skills that I need so that I can come back into this community and teach them there is more than just this neighborhood that my students can be anything they want if they just believe and have someone believing in them I haven't forgotten about that old building What was that Lord Is it time to wakeup Will I still be able to hear the music in the bells In that case ring those bells and I'll get to work

Abused Men Walking Out, Leaving Their Kids Behind Ravey D. Wesley, 2014-07-07 This story is about four boys who grew up as close friends while growing up they would see women or their friends' mothers in their neighborhood being abused by men leaving these four boys with a sick feeling inside over the years It would play back in their minds time after time so much that they gave their word to treat their women with love and respect Little did these boys know after growing things have changed with women in today's fast-paced society mainly in the home and work Never would the four friends would have thought for one second that women would have abusive behavior toward men carrying out acts of physical sexual emotional and verbal abuse against men This leaves a man no choice but to walk out his home leaving his children behind
