Wanted Words:

The Keystone, 1927 Drowning in Fire Craig S. Womack, 2001 Josh Henneha has always been a traveler drowning in dreams burning with desires As a young boy growing up within the Muskogee Creek Nation in rural Oklahoma Josh experiences a yearning for something he cannot tame Quiet and skinny and shy he feels out of place at once inflamed and ashamed by his attraction to other boys Driven by a need to understand himself and his history Josh struggles to reconcile the conflicting voices he hears from the messages of sin and scorn of the non Indian Christian churches his parents attend in order to assimilate to the powerful stories of his older Creek relatives which have been the center of his upbringing memory and ongoing experience In his fevered and passionate dreams Josh catches a glimpse of something that makes the Muskogee Creek world come alive Lifted by his great aunt Lucille s tales of her own wild girlhood Josh learns to fly back through time to relive his people s history and uncover a hidden legacy of triumphs and betrayals ceremonies and secrets he can forge into a new sense of himself When as a man Josh rediscovers the boyhood friend who first stirred his desires he realizes a transcendent love that helps take him even deeper into the Creek world he has explored all along in his imagination Interweaving past and present history and story explicit realism and dreamlike visions Craig Womack s *Drowning in Fire* explores a young man s journey to understand his cultural and sexual identity within a framework drawn from the community of his origins A groundbreaking and provocative coming of age story *Drowning in Fire* is a vividly realized novel by an impressive literary talent *Publishers' Circular and Booksellers' Record of British and Foreign Literature*, 1895 *The Interpretation of The Meaning of The Holy Quran Volume 37 - Surah Ta Ha verse 1 to 75* Nasoha Bin Saabin, I have written many books and articles on various topics but since 2013 I have devoted myself fully in writing the interpretation of the Holy Quran in English and with the grace of Allah I have completed the whole Quran on 29th October 2020 with 84 books I believe there is a great need in the whole world for the correct interpretation of the Holy Quran to be written in English Currently there is a great misunderstanding about Islam among Muslims and non Muslims globally The misunderstanding of the meaning of the Holy Quran among Muslims will lead to the wrong practice of Islam which leads to the wrong actions of Muslims The wrong actions of Muslims will lead to misunderstandings about Islam among Muslims and non Muslims The wrong actions of the Muslims have led to many miseries and wars among Muslims The wrong actions of Muslims have also led to many wars and clashes between Muslims and non Muslims In order to avoid miseries wars and clashes from taking place between the whole mankind in the whole world the whole mankind in the whole world need to understand the true teaching of Islam There is no other way for the whole mankind to understand the true teaching of Islam unless the whole mankind is able to read and understand the correct interpretation of the Holy Quran The whole mankind is only able to read and understand the correct interpretation of the Holy Quran when it is written in the universal language of the world English For this very reason I have written the interpretation of the Holy Quran in English Prof Nasoha Bin Saabin **Bulletin of**
