Songs For Lovers:

Love Songs Ted Gioia, 2015-01-14 The love song is timeless From its beginnings it has been shaped by bohemians and renegades slaves and oppressed minorities prostitutes immigrants and other excluded groups But what do we really know about the origins of these intimate expressions of the heart And how have our changing perceptions about topics such as sexuality and gender roles changed our attitudes towards these songs In *Love Songs The Hidden History* Ted Gioia uncovers the unexplored story of the love song for the first time Drawing on two decades of research Gioia presents the full range of love songs from the fertility rites of ancient cultures to the sexualized YouTube videos of the present day The book traces the battles over each new insurgency in the music of love whether spurred by wandering scholars of medieval days or by four lads from Liverpool in more recent times In these pages Gioia reveals that the tenderest music has in different eras driven many of the most heated cultural conflicts and how the humble love song has played a key role in expanding the sphere of individualism and personal autonomy in societies around the world Gioia forefronts the conflicts controversies and the battles over censorship and suppression spurred by such music revealing the outsiders and marginalized groups that have played a decisive role in shaping our songs of romance and courtship and the ways their innovations have led to reprisals and strife And he describes the surprising paths by which the love song has triumphed over these obstacles and emerged as the dominant form of musical expression in modern society

Love Songs in Motion Christina J. Woolner, 2023-11-24 At first listen music is conspicuously absent from Somaliland's public soundscapes The lingering effects of a war that devastated the artistic community and the increasing presence of Salafist groups which see music as incompatible with Islamic principles have muted musical practice Nonetheless as Christina Woolner undertook research in postwar peacebuilding in Somaliland's capital Hargeysa she continually heard snippets of songs Many of these she learned were about love In a time and region riddled with precarity hees jacayl permits singers to sing from the heart a mode of voicing songs that Woolner calls envocalization which allows the possibility of dareen wadaang feeling sharing Despite their intense intimacy that is hees jacayl transcend the connection between the lover and the beloved becoming also perhaps paradoxically an outward facing unifying force that powerfully draws together those suffering from love poets composers singers and listeners in both private and public spaces Taking us from 1950s recordings preserved on dusty cassettes to contemporary often improvisatory performances in a scandalous venue where the author herself eventually performs Woolner offers an understanding of love songs across time and space that opens new realms of possibility for relating to others and for local reconciliation which are otherwise closed off by overwhelming conditions of precarity

Song of Songs J. Cheryl Exum, 2005-10-17 This original commentary foregrounds at every turn the poetic genius of the Song of Songs one of the most elusive texts of the Hebrew Bible J Cheryl Exum locates that genius in the way the Song not only tells but shows its readers that love is strong as death thereby immortalizing love as well as in the way the poet explores the nature of love by a mature sensitivity to how being in

love is different for the woman and the man Many long standing conundrums in the interpretation of the book are offered persuasive solutions in Exum s verse by verse exegesis The Old Testament Library provides fresh and authoritative treatments of important aspects of Old Testament study through commentaries and general surveys The contributors are scholars of international standing *Love Songs* Ted Gioia,2015 Uncovers the unexplored history of the love song from the fertility rites of ancient cultures to the sexualized YouTube videos of the present day and discusses such topics as censorship the legacy of love songs and why it is a dominant form of modern musical expression **The Etude Music Magazine** ,1926 **Musical Canada** ,1914 *Catalog of Copyright Entries* Library of Congress.
