Sons of Destiny M Geescoge, 2024-10-03 Sons of destiny was conceived in the mid 1970s 80s The story that unfolds here had a gestation period for many considered long for the author the time necessary for the idea as well as the story itself matured and therefore it began to be written in July 1986 it was completed in September 1988 The story portrayed here shows without pointing out typical situations of the 1970s 80s Based on romantic involvement without malice and without great information so common in young people of that time most often adverse to events that for sure hindered the desire for personal freedom of those more passionate What is written here only aims to show that conflicts exist and will always exist but that despite them we can be happy building our castles and building our dreams together with the people we love It is worth checking out **Cirque Du Freak: Sons of Destiny** Darren Shan, 2008-08-01 Time seemed to collapse
