Sons Of Abraham:

The Sons of Abraham Tj Johnson, 2021-01-27 The Sons of Abraham is book three of a 4 book series of Bible Studies concentrating on the spiritual trunk of the Jewish family tree The LORD called Abram later renamed Abraham to leave Ur of the Chaldees his native country to go wherever God revealed to him Abram trusted God to show him the way and believed God when He promised to make him a great nation The LORD blessed Abram and his seed of Sarai later Sarah namely Isaac Jacob Jacob s twelve sons and their sons Throughout the Old Testament we read the history of Abraham Isaac and Jacob the sons of promise They would inherit land the LORD showed Abram Abraham At that time their land grant was referred to only as the land of promise Inhabiting that property would take many years Abraham s descendants would have to fight to take possession of their inheritance which was the land of distant relatives the Canaanites But God was with Abraham Isaac and Jacob and promised to bless those who blessed them and curse those who cursed them They had the LORD God Almighty on their side with them all the way But the journey proved to be hard fought and bitter sweet Many of the people were destroyed because of their disbelief or because of their disobedience However the story inside these covers will help you discover for yourself just how much our natural and or spiritual lives have been impacted by our ancestor Abraham Gen 12 1 7 13 14 18 15 18 21 17 1 9 21 12 32 24 30 50 24 Ex 2 23 24 3 6 Num 14 34 Deu 6 3 Heb 11 9 *Abraham's Other Sons* Grant Bishop Williams, 2009-08 This book is about the Patriarch Abraham and his extended family The people of the Jewish Muslim and Christian beliefs all know that they are the children of Abraham The people of each of these great faiths hold Abraham in extremely high regard but over time their kinship has eroded due to a number of situations and circumstances This book strives to show that all mankind has a common beginning and that mankind and those in the three great faiths not only share a great common history but that they are tied together through the acts of Abraham and his descendants including Isaac Ishmael and Keturah s six sons For it is through these men and their early descendants that we have the Jewish and Christian Isaac Muslim Ishmael and the majority of Keturah s descendants are now also Muslim Herein we provide a fleeting glimpse of mankind from Adam through his early descendants to Noah and his three sons then we focus on Noah s son Ham so that we can look at his four sons Cush the father of Ethiopia Mizraim the father of Egypt Phut the father of West Egypt and Libya and also on Canaan whose descendants originated many nations Here we also take a look at Noah and the famously alleged curse placed not on Ham but one of his sons and we try to discuss this matter from a factual rather than an emotional view In today s world there are growing tensions and mistrust between these three communities Jews Muslims and Christians but if they would take a close look at not only who they are but from where they came they might accept the fact that they are near kinsmen who have more in common than there are differences between them **Go East: Six Sons of Abraham and Keturah** D.E. McReynolds, 2013-08-26 *Go East* The Romance of Abraham and Keturah the first book concludes with Abraham sending his six sons born to him by his third wife Keturah east See Genesis 25 12 Wanting

adventure and to explore hypothetically they went west where two brothers had already done in tern ship in Sidon one a ship builder the other in government administration These two brothers talked the other four into going back to Sidon with them Settled in things went well why go eastnow Having put east on hold it took a catastrophe the act of the god machine to bring them to their intended destiny and so it was with Abraham and Keturahs six sons Though baggage comes along with the mistakes in our lives sometimes it has a mixed blessing for stabilizing obligations corrections or direction to further the destiny making it more meaningful and appreciated as it happened in the lives of Zimran Jokshan Medan Midian Ishbak and Shuah the sons of Abraham and Keturah Story line is based on scripture and history along with adventure tragedy and romance young men may be involved in

Renaming Abraham's Children Robert B. Foster,2016-07-25 In this study Robert B Foster explores the intersection between the interpretation of Scripture and the construction of communal identities He argues that in Rom 9 Paul applies prophetic texts from Malachi Hosea and Isaiah to the story of Abraham s children in Genesis These interpretive maneuvers enable Paul to extrapolate from the patriarchal narratives a specific construal of election it is the ironic privilege of being simultaneously God s chosen and rejected people This understanding of election he in turn applies to Gentile Christ followers the remnant and all Israel in order to build for them an all encompassing yet differentiated Abrahamic identity for the messianic age

The Sons of Abraham Michael D. Chapman,2005-11-01 Two of the world s major faiths claim to have evolved from the common ancestry of one individual named Abram called Abraham by God The Holy Scriptures of one the Judeo Christian faith predate the other Islam by almost twenty seven centuries but each belief claims its inheritance through the male offspring of Abraham Isaac and Ishmael respectively Because their father pleaded on their behalf God blessed both sons but in different ways resulting in an enmity that exists even into modern times Most people of these faiths today have little true understanding of the beliefs of the other but these faiths have interacted throughout recent history at times resulting in mutually attempted destruction This book is intended to bridge the knowledge gap that exists between these faiths in a hope of revealing the truth of God s will for all men resulting in reconciliation to Him and obtain everlasting life in Heaven

Father Abraham Has Many Sons and Daughters Rabih Sabra,2021-03-31 Racism greed and politics these are skeletons from the past that have come to haunt the Church and the younger generations are demanding answers In the United States the African American community holds the white church responsible for their plight with slavery Throughout history the Church has been under pressure to negotiate a secular compromise that nullifies its testimony Is the Church going to continue in denial or will it model the gospel s transforming power Father Abraham has Many Sons and Daughters highlights the Church as the family of transformed relationships It focuses on transformation among the people of

God and how it forms the foundation for our witness today Traditional studies of how the gospel transforms individuals and communities focus on the believer's character as the predictor of transformation This book brings a needed balance by focusing on Kingdom relationships as the context of transformation through the gospel of Jesus Christ *Family Trees of the Bible* Willard W. Pulkcrabek, 2007 Simply fascinating for Bible scholar and neophyte alike these family trees shed new light on the lineages of biblical men and women from Aaron to Zimri their marriages illicit affairs and the offspring they produced This encyclopedic study of over 130 main characters in the Christian Bible provides reference sources for Bible study as well as a better visualization of the relationships between various characters

Sons of Noah Dr Desmond Mattocks, 2016-12-22 One is stunned by the reflective silence of the church and its misplaced priorities Caught up with life's default attractions entertainment and wealth who will call attention to the nation's residual memory of the Creator Such is the nature this book *Sons of Noah Children of Abraham* In the face of these formidable threats to faith one is driven to ask are the churches today really as the German philosopher Friedrich Nietzsche inferred mere tombs and sepulchers of a demure faith The contemporary church has overdone its impersonation of the society in worship marriage music dress and diet Plaintively I say it has taken the things that are permissive to excess thereby playing with sin like a cherished violin Ghastly and repugnant is the rebellion and poignant is the message from Dr Mattocks the world is a place divided not so much by races but by unbelief and war Only in studying the Science of the Cross can the world comprehend the damage that sin has caused Thus I am particularly sensible to the need for sharing my labors in print with a wider community of people so as to encourage repentance By this people will make the obvious link between their misfortunes and their transgressions Evidently in this book I have kept the enormous proportions of life's purpose in view to the public By a sensible decision I have also chosen to look at Abraham not in similarity of the world but in stark contrast with intermittent backsliding of the society Therein we see sad and angry people which countenance pain intonate hatred and frown at Divine laws The pages of this book are crowded with reasons to make the hopeful despair and yet the hopeless will surely find hope It will comfort the discomfited and discomfort the comforted Indeed the Book shows that neither politics nor economics can coldly engineer the change that is needed to raise the nations from their moral slumber Seemingly the world is at that moral place where Generation Noah was just before the great flood hapless and sinful In this Book *Sons of Noah Children of Abraham* the intent is to paint a living portrait of the ways in which America even as ancient Babylon has abandoned divine counsel on its way to self destruction How Washington's significant events and personalities have shaped personal experience In music and the perverse arts how the moral philosophers are damaging our young people in which the families of America are sullied This book is different because it calls sin by its name there is no reason to camouflage the facts Further it recognizes that the only hope for our nation is when the hearts of people are turned to the

Creator The nation is in sure need of a stunning moral victory because of the times in which we live **The Holy Bible ... With Explanatory Notes, References, and a Condensed Concordance.
